CLASS SONG 1937B

Looking to the future now before us,

Looking backward to our school days past,

Looking upward to a standard o'er us

We shall reach our distant goal at last.

To our teachers gratitude we offer;

To our classmates—friendship tho' we part;

To our Alma Mater praise we proffer

As on life's new pathway we shall start.

HIGH SCHOOL WORLD

In its fourth year of existence the *High School World*, under the direction of Miss Helen Estes, has been published weekly in the *Manchester Evening Herald*.

The aims of the publication are to serve as a record of school events, to encourage self-expression, to give recognition to students who excel scholastically or athletically and to acquaint parents and friends with the activities in the high school.

For the past two years the editorial staff, besides capably writing the material, has been proof-reading, copy-reading, headlining, and organizing the page.

THE STUDENT COUNCIL

The Student Council consists of a representative body of students elected each semester, one from each homeroom. The faculty adviser of this important group of students is Miss Mary McGuire.

This year the Council, in accordance with its aim of working for the best interests of the school, has sponsored some very fine activities. As a result of their efficiency and hard work, the Christmas basket project, the S. A. A. drive, the "Somanhis" drive, the Red Cross, and the flood relief programs were made a complete success.

It was also voted by the Council to award one kind of letter for all school sports in which students participate. This decision eliminates the term "major and minor sports" from our vocabulary, in the belief that any sport is of major importance if the participant finds benefit in it.

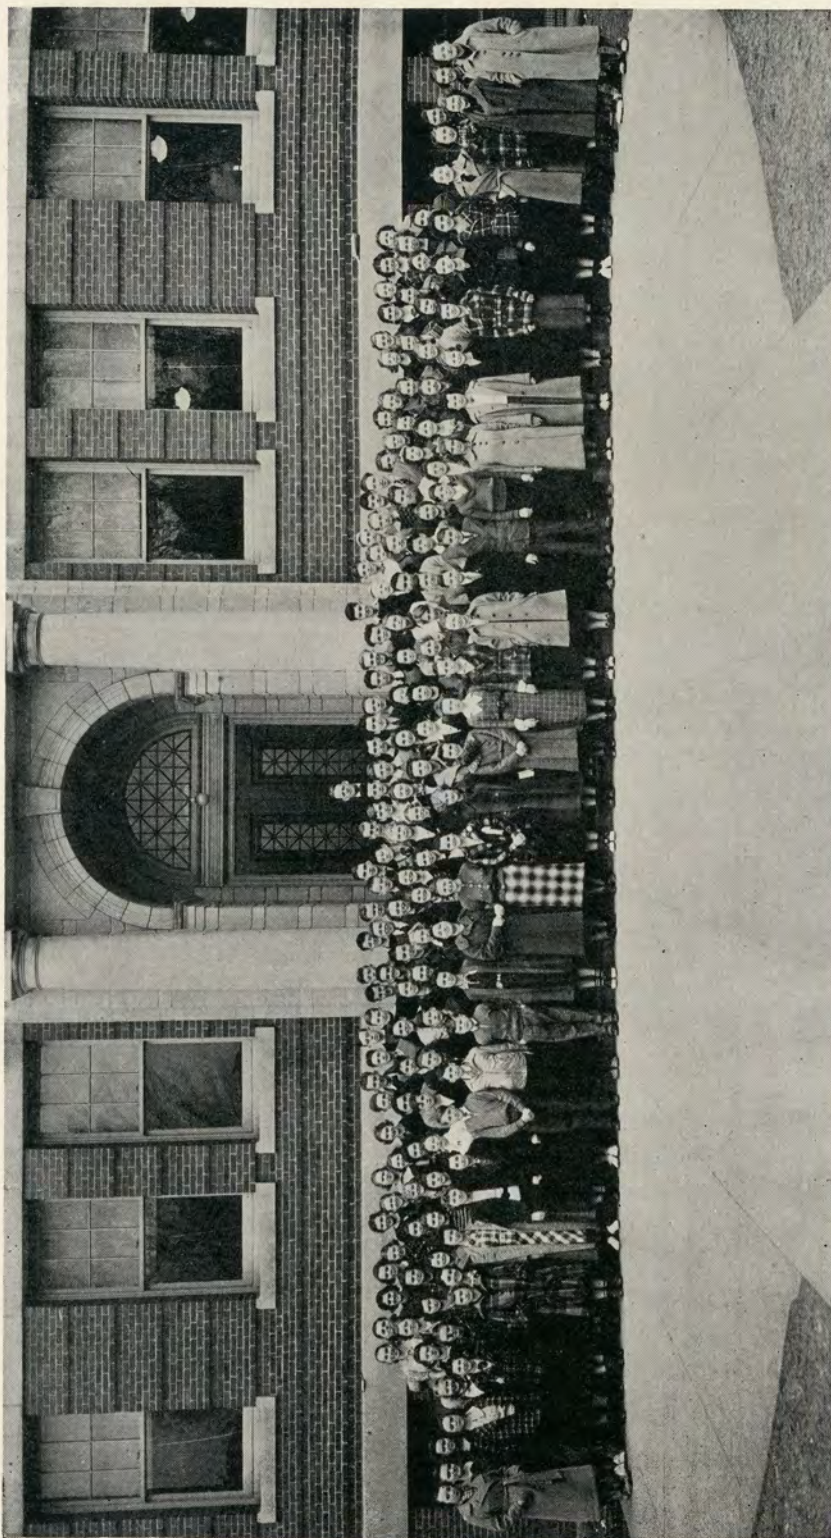

Back Row: Mr. Gatchell, R. Aliczi, M. Haberern, M. Zwick, H. Hultine, R. Alley, V. Agostinelli, A. Seaburg, R. Longaker, T. Dearden, C. Mozzer, W. Ferris, C. Robbins, W. Schieldge, J. Murray, K. Morrison, C. Weber.

HI-Y

The Hi-Y has again completed a successful year under the supervision of its leader and adviser, Mr. Nathan Gatchell. The meetings were held every other Monday at the Center Congregational Church.

Throughout the year, the club has enjoyed many interesting speakers. Among these were Chief Samuel Gordon of Manchester, and Mr. Wolf Weber of Heidelberg, Germany, who spoke on the German Youth Movement.

The club is non-sectarian, and membership is limited to the two upper classes of the high school. Its main purpose is to create and extend high standards of Christian character throughout the school.

CHORUSES

The choruses this year were organized into three groups—a Junior-Senior Chorus, a Freshman-Sophomore Chorus, and a Freshman-Sophomore Girls' Chorus.

During the year the choruses have given two concerts—the usual Christmas and Spring concerts, and have participated in two music festivals. One of the festivals was held in the quadrangle with one thousand voices from the high school, and the seventh and eighth grades, also taking part. The C. C. I. L. festival, in which the Junior and Senior chorus took part, was held in Bristol. The Junior-Senior Chorus broadcast over station WDRC for the first time in the history of the high school. All of the choruses were under the direction of G. Albert Pearson.

ORCHESTRA AND BAND

The High School Orchestra had a very successful season under the direction of G. Albert Pearson. Besides furnishing the music for the assemblies, the orchestra played at the Christmas Concert, the Spring Concert, and the Outdoor Festival.

The High School Band this year played at football and basketball games, and at minor activities.

An ensemble of ten players demonstrated their instruments before all of the Manchester grade schools to further interest in music.

Under the supervision of Miss Dorothy Carr, the Biology Club enjoyed a very successful year. A variety of interesting programs was presented to the club at its weekly meetings. These programs included movies, borrowed from the State Board of Health, and lectures by prominent local people. Microscopic research and dissecting were other features studied by the club.

During the year indoor drawing and outdoor sketching trips were enjoyed as well as a number of speakers. For the first time crafts, including metal work, were introduced to the club.

A number of its members took part in the Art Assembly and in the making of decorations used for the High School Prom.

PAINT AND POWDER

Paint and Powder began the year with an initiation party in honor of the twenty-three new members who were admitted to the club after a month of try-outs.

"Damon and Pythias," the second in the series of high school radio plays broadcast over WTHT was given by the club in December. In January a one-act play, "The Ghost Hunters," was presented in the assembly hall before an audience composed of members of the French and Art Clubs.

Nine new members were added in February after mid-year try-outs.

In May an evening performance of two one-act comedies, "Elmer" and "The Pampered Darling," was presented, and the year ended with a social for all the members.

SOCK AND BUSKIN

Sock and Buskin has again enjoyed a successful season under the expert leadership of Miss Helen Page.

"The Ghost Train" by Arnold Ridley was produced in November. This was an enjoyable mystery comedy which proved to be very successful.

At Christmas, a one-act play entitled "The Nine Who Were Mother" was presented as an assembly program.

In May, a dramatization entitled "Desert Horse" was given as one of a series of school radio presentations.

Several field trips were taken in which some of the members visited the Yale Theater. Some witnessed a broadcast and others enjoyed trips to other schools in the League.

The annual initiatory dance held at the Country Club in June brought the year's activities to a successful close.

GIRL RESERVES

This year has proved an active one for Girl Reserves. Meetings were held bi-weekly with an average attendance of fifty to sixty members.

Some of the speakers who addressed the club were Miss Dorothy Gates, a social service worker in the South who discussed mountain schools; Mr. George Dougherty, a resident of Cuba who gave a talk on that land; Mary Alice Andrews, who spoke on the modern dance and gave several dance interpretations; Miss Eleanor Huebner, who talked on "Hobbies"; Miss Ione Fellows, who explained the preparation and printing of the "Somanhis"; and Mary Fogarty and Marion Risley, club members who talked on their vacation trips to Germany and California respectively.

The usual costume party was held at Hallowe'en. In November the local group helped in entertaining the representatives of Hartford County at the convention held at the Manchester Y. M. C. A. At Christmas the club was host to about forty children at the annual "Kiddies' Party."

An annual banquet of the club was held in April. Dinner was served at the "Y," and a program of toasts and singing followed.

The club had the distinction of having Jeanette Paton chosen as representative from the state for this summer's New York conference.

PEP CLUB

Pep Club, an organization to increase school spirit and give support to athletic teams was reorganized this year into a club of almost 300 members. Through the efforts of the club a larger attendance has been secured at all home games, and the cheering has been vastly improved under the tutelage of four regular cheerleaders. In connection with the club, cheerleading practices have been held every week for the purpose of developing replacements for graduating cheerleaders. This class has consisted of from one to eight members during the year. Meetings are held once a month to practice cheers for future games, to sing school songs and to further the feeling of pride in our school among the students. This year an annual picnic will be initiated in the program of the club. Since Christmas the club has sponsored the sale of candy in the Main Building during recess period. This spot has been well patronized and it is hoped that in a few years the Pep Club may make some worthwhile contributions to the school as the result of these sales.

Members of Pep Club feel amply rewarded for their efforts during the year, for it is evident that school spirit is definitely on the rise.

FRENCH CLUBS

This year because of the large attendance it was necessary to have three French Clubs, a Junior-Senior French Club, under the direction of Miss Jeanne Low; and two Freshman-Sophomore French Clubs, under the direction of Miss Doris Kibbe and Miss Beulah Todd.

Meetings were held separately once a month with activities such as crossword puzzles, short plays, spelling matches, and Bingo games, in French. Once a month a general meeting of the three French Clubs was held in the assembly hall with singing, games, and talks on France and French customs. A largely attended Christmas party was a feature of the Clubs.

A French assembly was held on April 16, the purpose of which was to show the contributions of France to civilization, such as its famous men, music, and literature.

COMMERCIAL CLUB

The Commercial Club was actively organized during September 1935, by Miss Sullivan and Mr. Wright for the purpose of furnishing additional business information and creating social contacts among students taking commercial courses.

Each teacher in the commercial department has been in charge of a meeting. The programs included informal talks by Samuel Gordon, Chief of Police; Mr. Richard Martin, Selectman and a member of the *Herald* staff; and Mr. Harold Garrity, Attorney-at-law. A visit through the telephone company building proved to be one of considerable interest. Again this year, the members of the club enjoyed a trip to the Massachusetts Mutual Insurance Company in Springfield, Massachusetts.

A Christmas party, a "Cootie" party, and a play entitled "Not to the Swift" were among the social functions which were enjoyed by the members of the club.

*Back row: J. Hamilton, S. Pratt, G. Hunt, H. Kelley.
Front row: M. Ambulos, M. Brosnan, L. Andisio, M. Mintz, M. Taylor.*

DEBATING CLUB

The debating teams had an interesting year, although they did not win their two matches. The subject of both debates was "Resolved: That the Manufacture and Sale of Munitions of War be Controlled by the United States Government."

Manchester took the affirmative against Middletown, on March 19. On the same day the negative side went to Meriden.

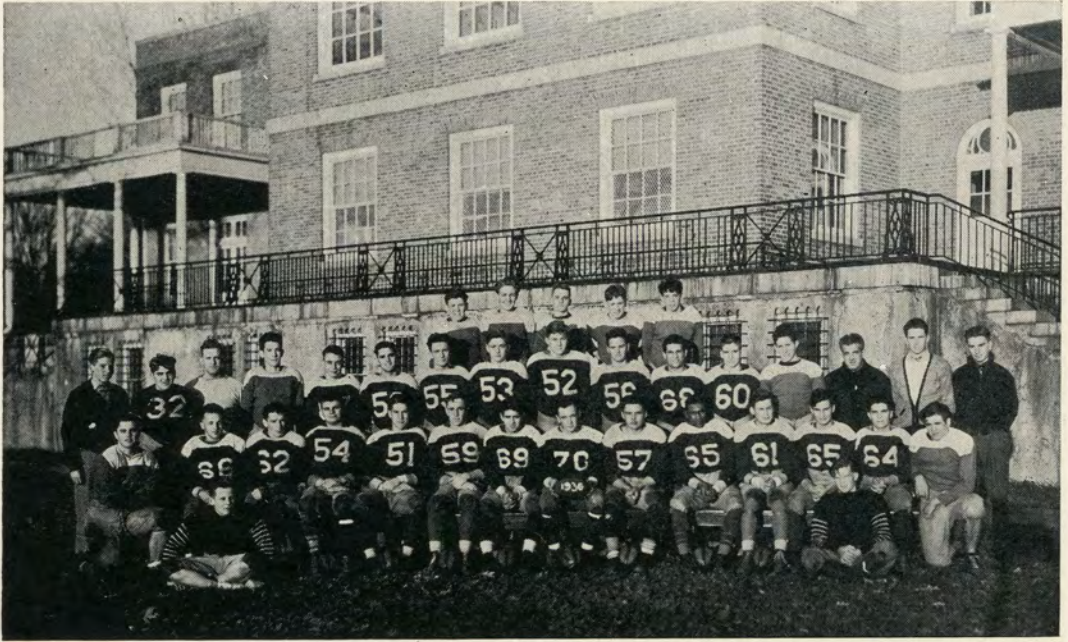

Richard Woods, an experienced debater from Yale, was the judge at Meriden.

The Manchester High School basketball team had what might be considered an up-and-down season. They participated in nineteen games in the regular season—winning eleven and losing eight. They emerged victorious from two encounters in the elimination tourney but were beaten in their first game of the Tourney Proper.

Moorhouse is the only regular graduating. A considerably young experienced squad will form the nucleus of the 1937-38 team.

The track team has had a most successful year. In the State Indoor Championships at Wesleyan, in which twenty schools competed, Manchester won first place. Hillhouse, Stonington, and Hartford finished second, third, and fourth respectively.

A two mile relay record of 8:39.2 was established by the Manchester team at the Second Annual Connecticut Relays held at Storrs. They also finished second in the 440 and mile relay.

The team won over Middletown 65½ to 29½. The Connecticut State College freshman were defeated by a score of 58½ to 54½. East Hartford was beaten 70¾ to 33¼ by our men.

At the Rhode Island Meet, in which nine schools entered in the out-of-state class, Manchester won first place with 51 points. Norwich and Stonington were tied for second place, each with 35 points.

Coach—Mr. Wigren

Captain—R. LaBarron

Manager—W. Knapp

The 1936 team compiled a wonderful record in beating all dual competition, winning the State Championship, the Connecticut State Invitation, and the C. C. I. L. Championship.

Captain-elect Leary is undefeated in two years and is State and C. C. I. L. Champion.

Walker, Vittner and Captain LaBarron are the only veterans lost through graduation and it seems very likely that another championship team will represent Manchester in 1937.

GIRLS' ATHLETICS

A full program of curricular and extra-curricular athletic activities was enjoyed by the girls of Manchester High School during the past year. For the fifth successive year the system of cumulative points and the Blue and White system was carried on. Each girl who received points for after-School activities, resulting in an accumulation of a certain number of points, was given an award.

In "gym" classes, activities such as hockey, soccer, basketball, Danish gymnastics and volleyball were a part of the program. Basketball and volleyball tournaments were conducted in "gym" classes. Both tournaments ended with tie score but the White Team was victorious in the over-time play.

In the fall, a large number of girls turned out for hockey and soccer. Basketball, the most popular girls' sport at M. H. S. was enjoyed during the winter, while volleyball and baseball followed closely in the favor of the girls during the spring. A tennis tournament took place in the spring program. After-school practices were held in all of these sports, after which an All-Star White and an All-Star Blue team were chosen by elimination competition. From the results of the games between the All-Star White and the All-Star Blue teams, an honorary varsity team was selected in each sport.

The swimming pool also was popular during the year as Life Saving classes were conducted. Many awards were made for finishing the five mile marathon swim carried on again in regular swimming classes this year.

Leaders' Class was an active organization in girls' activities. Four girls, participants in after-school sports and capable of leadership, were chosen from each "gym" class to help to conduct classes.

For individual games a ping-pong set, deck tennis, and a badminton set were available. A ladder ping-pong tournament was conducted in the spring in which Alice Madden ascended to the victor's position on the top rung.

Altogether, a varied and an interesting program of athletic activities was enjoyed by Manchester High School girls during the past year.

Miss Olson (giving an exam)—These examples are not all of the same kind. They're all mixed up.

"Doc" Knapp—That's O. K. So are we.

Miss Estes (standing in front of the class)—Enunciate your words clearly. Beauty is pronounced B-E-A-U-T-Y. Now, class what do you see before you?
Class:—B-E-A-U-T-Y.

Helen:—"How did you get along with the French teacher?"

Dana:—"Well, she understood what she said, and I understood what I said."

Mr. Morton:—"Smitty, will you stop talking for a bit?"

George:—"I will—for two bits."

Mr. Spang:—"What is formed when we oxidize ammonia?"

Pete:—"I-I-I've got it right on the tip of my tongue."

Mr. Spang:—"Well, you'd better remove it, PDQ, because it's nitric acid!"

Swede:—"What course are you taking next term?"

Sammy:—"The course of least resistance."

Mr. Emery:—(During Safety Education) Well, Richards, how did you learn to drive?

Russ:—"Oh, I don't know. I just got out on a country road and started driving."

Marge:—"With whom? ? ? ? ?"

Mike:—"What is "nothing"?"

Miss Estes:—"Nothing is a footless stocking without any leg."

GREETINGS AND GOOD WILL

We wish to take this medium to extend to you — and through you, to your parents, our heartiest congratulations — this is indeed a proud day for all of you.

But this is also a time, when a good many of you will have to leave home “perhaps” and try to make a place for yourself in the world. May your aspirations — and the hopes of your parents come through. Honor your parents — then you will honor the school that graduated you, and your City and Country will be proud of you.

**Measure the
value by the
lasting enjoyment you receive!**

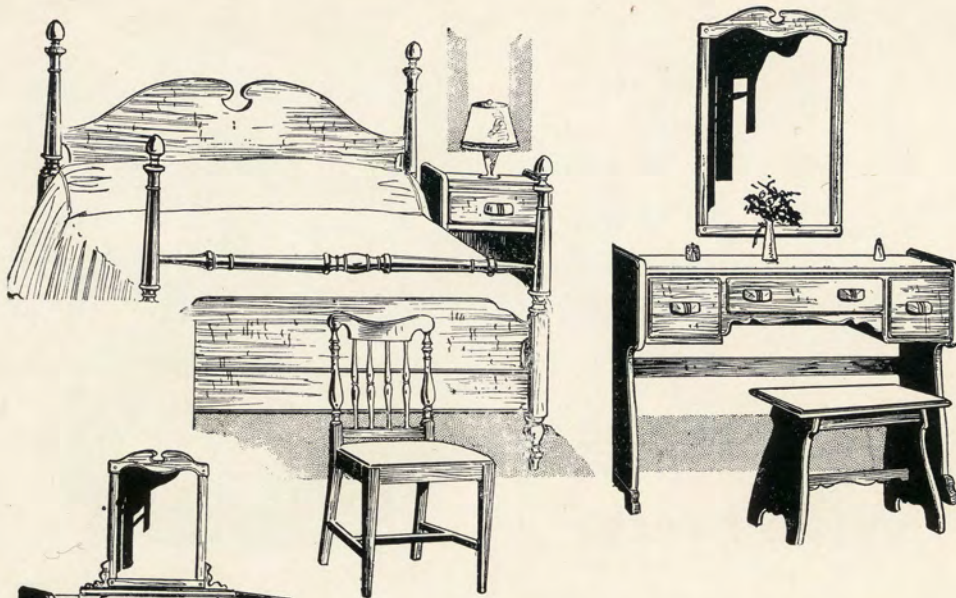

The so-called "cheap" home furnishings you buy today look like pretty poor value tomorrow when shoddy workmanship comes to light. For you judge true value by the lasting enjoyment you receive.

That's the reason we're so fussy here at Watkins about Quality. Each piece of Watkins Furniture must be just right. The hidden construction must be made to our rigid specifications. Then we take infinite care in choosing designs, for we realize that good, lasting style is always a joy to live with.

You would naturally expect such fine things to cost more. Most often they don't, and, when divided over a period of enjoyable years, become surprisingly little.

Before you buy any home furnishings do yourself the justice of a visit to Watkins. You're always welcome. Browse through the dozens of model rooms and houses for worthwhile decorating ideas. See for yourself how inexpensive really fine furniture can be.
