THE CLASS OF 1945  
MANCHESTER HIGH SCHOOL  
MANCHESTER, CONNECTICUT

## *Foreword*

*During our four years in high school, our country has undergone one of the greatest tests of its history. Now as we are about to be graduated, a new era appears to be dawning. It is an era of international understanding, one in which, it is devoutly hoped, all peoples will find a new freedom.*

## *Dedication*

We, the Class of 1945,  
Gratefully Dedicate Our  
SOMANHIS  
to

MR. LOUIS H. PIPER

who, through his counseling and his teaching of social sciences, has given us a clearer understanding of the tremendous international problems which face our generation as world-citizens in the post-war world.

## FACULTY

## LINES FOR TOMORROW

*If the old world this way be,  
That all men are created free  
Then all of us should love the same  
Despite of color, creed, or name.  
And not in vain were brave deeds done.  
Men died for every woman's son.  
For all shall know and see the light  
When equality has won the fight—  
And this new age shall bravely see  
A world that is forever free.*

## Class Song

Our Class of '45 will e'er endeavor  
To be true to the red, white, and blue;  
And as we journey along life's great  
pathway  
We will keep our pledge firmly and  
true.  
We will remember our dear Alma  
Mater  
The guidance and lessons that are past;  
And our classmates who are fighting for  
freedom  
And the cause of a peace that will last.

## High School World ★ ★ ★ ★ ★

Under the direction of Miss Helen Estes, the *High School World* once more reported a year's activities of the High School to the people of Manchester.

Still restricted by the paper shortage to six columns, the paper reported all the weekly activities and special projects of the school. The Legion of Honor gave deserved recognition to twenty-six boys and girls of the Class of 1945 who were chosen as outstanding by their classmates.

All programs sponsored by the school were given publicity by the paper. Such drives as the "Buy a Duck", War Stamp, and "Red Cross" were given special attention. All the sports and games of the school were faithfully reported and Manchester High School took

pride in relating the successes of their teams to the townspeople. Assemblies, which were held nearly every week, were written up to give the outsiders an idea of this phase of school life.

News of M.H.S. graduates was given through the paper, keeping constantly before the minds of the students the number of M.H.S. alumni serving in the Armed Forces.

The weekly meetings of the staff were spent in discussing new writing techniques, interviewing various people for practice, and planning the next issue of the paper.

In all, the *High School World* brought the townspeople closer to the school and made the students even more conscious of the varied activities of their own world.

## Student Council

During the leave of absence of its regular sponsor, Mrs. Marguerite Campbell, the Student Council, attempting to fulfill its purpose of "furthering in all ways the best interest of the school", carried on its work under the guidance of Miss Catherine Putnam.

Much was done to assist the war effort. The alternates collected money for war stamps and bonds, keeping the Treasury Minuteman flag flying since October, when they made an all time record of 98% participation. The goal of over \$8000 to buy an amphibious "duck" was attained by March. Christmas cards were sent to former M.H.S. students who wrote many appreciative let-

ters in reply. A successful paper salvage campaign was undertaken and the paper was contributed to the town drive.

Generous contributions to the March of Dimes and Christmas Seals by the students almost doubled those of other years.

The Council sponsored the school prom; conducted the S.A.A. membership drive; approved new clubs and memberships to societies; members served as representatives on committees in school and on the Youth Council.

In all these projects, the fine leadership of members of the Council and excellent cooperation of the student body, made for a highly successful year.

## Band ★ ★ ★ ★ ★ ★ ★ ★

The 1944-45 season was an especially active year for the Band, and Mr. William Vaders, as director, spent a great deal of time with the organization. For the first time, the Band had regular scheduled time during the school day for rehearsals.

The first public appearance of the Band this year was the Dedication football game, October 26, for the boys of East Hartford and Manchester who had been killed in action. On November 28, the Band played at the dedication of the Howell Cheney Technical School which was being renamed from the State Trade School. During January, the Band appeared twice before the student body, once at a rally given during the basketball season, and the second time at a special student assembly.

Throughout the year the Band gave sev-

eral concerts for the local grammar schools. In this, the grammar school students were able to see what sort of an organization they will enter as members of the Band.

On April 11, the annual Band Concert was held in the High School Assembly and on April 13, there was a Benefit Band Concert to obtain the money needed to purchase new uniforms for the members of the Band. The Band representing the school took part in the Memorial Day parade and services.

Between June 5 and 8, the Band was busy constantly, playing at the Outdoor Festival and at the Commencement Activities.

With all these performances the Band proved to be one of the best that was ever organized in school and the students took pride in pointing out the Band as a vital part of the School activities.

### SPANISH CLUB

## Library Club ★ ★ ★ ★ ★ ★ ★ ★

The Library Club under the supervision of Mrs. Thelma Segar concluded another successful year. The fifty-four members of the club gave one or two periods a week, in service in the library. This consisted of filing cards in the catalogue, shelving books, making posters, arranging bulletin boards, taking charge of incoming and outgoing books and becoming familiar with the magazine stacks and reference material to help students with their research work.

Book Week in November was celebrated

with a faculty tea and exhibit. This year the display featured several hundred pictures chosen for their subject matter for use in the various classes of the school. Tag Day also held during Book Week and sponsored by the club, brought in over fifty dollars. Books suggested by the students were bought with this money.

Social activities for the year were initiation and Halloween parties in the fall, a dance in the spring, and a Pot Luck supper for the departing Senior members.

## French Club ★ ★ ★ ★ ★ ★ ★ ★

The French Club included members of all the French classes who devoted two class periods a month for their club work. Under the supervision of Miss Low, the program chairman carefully arranged a varied program of events for each meeting.

Members answered the roll call by giving the name of a French city, holiday, song, river, or famous personality. These names were then recorded in the pupil's notebooks and were incorporated with regular class-work.

At each meeting a report on the current trend of events in France was given by some member. The third year members delivered their reports in French. These reports familiarized the students with the present situation in France and enabled them to realize the

problems facing this valiant country in the post-war world.

La Marseillaise, the stimulating French National Anthem, and other native French songs, as well as French Canadian songs, were sung at each meeting. The members also found enjoyment in playing French games. At least one, and possibly two meetings were given over to a discussion of France in America such as French influence and their customs in North America. Skits and short plays, written by members of classes were acted out by other students.

Through these informal periods, the members of Les Cercles Francais gained a more practical knowledge of France and her people.

## Debating Club ★ ★ ★ ★ ★ ★ ★ ★

Despite the curtailment of traveling, the Debating Club continued to study and to debate important issues confronting this troubled world. The club was limited, as in the past three years, to intramural debates centering around the debate question of the year, Resolved: That 18 years olds should be allowed to vote.

The Debating Club debated the subject in an assembly period. The affirmative, according to the vote of the student body won a unanimous decision over the negative.

Other questions debated by the club were: Resolved: "There should be compulsory military service after the war."

"Every able-bodied citizen over eighteen years old should either work or fight."

## Spanish Club ★ ★ ★ ★ ★ ★ ★ ★

There are three divisions of the Spanish Club; the first year, second year, and third year groups. In the third year group emphasis is placed on the part Spanish plays in a world at war. Each member supplements "Spanish in a World at War" with the "Selecciones del Reader's Digest." Oral reports, original themes, coupled with the translation of important historical documents and events, have aided in making each member conscious of current activities on both the fighting and the home fronts. Through original dialogues, dramatizations, and friendly

Spanish letters to the boys in the service, the members have applied their knowledge of every day Spanish.

Members of the second year Spanish Club have had an interesting and varied program correlating with the regular class work on war Spanish. Throughout the year the first year Spanish group has had special holiday programs commemorating Columbus Day, Christmas, Valentine's Day, Easter, and Pan American Day. Activities of this group have also included cultural essays, quiz, and musical programs.

## Art Club

A new feature was added to the Art Club this year. Since about twenty students stated that they intended to go on to Art School after graduation, several meetings were devoted to reports and discussions on the requirements for entrance and courses given in various art schools all over the country.

The Art Club helped in the war effort by continuing their practice of buying war stamps instead of paying dues.

Their activities included an art assembly of living pictures featuring familiar, famous

paintings. The parts were taken by members of the Art Club as well as students of the Art Department. A Faculty tea was held in the fall sponsored by the Art Club and Art Department. Navy menu cards were designed and made in the fall for use on ships at sea and land naval bases on Thanksgiving Day.

During club meetings individual work was done in oils, pastels, charcoal, pen and ink, water colors, tempras and frescoes. Sketching hikes and informal parties were enjoyed by the members throughout the year.

### Hi-Y ★ ★ ★ ★ ★ ★ ★ ★

The purpose of Hi-Y is to create, maintain, and extend throughout the school and community high standards of Christian character. The club this year consisted of thirty boys from the Junior and Senior Classes. During the year the club suffered the loss of five boys who left for the services.

Three members were chosen to represent their organization and took part in the Youth

Government which is sponsored by the state Y.M.C.A.

Among the guest speakers were Raymond Quish who told about embalming and E. Gerry Tracy who spoke on the Red Cross in India. The Sports Editor of the *Herald* and a member of the Juvenile Court in Hartford also spoke to the club.

In April the annual dance combined with the Girls Reserves was held.

### Girl Reserves ★ ★ ★ ★ ★ ★ ★ ★

Although still divided into two clubs, the Manchester Girl Reserves continued to aim at their goal of making better citizens of the girls of Manchester High School.

The Senior Club under the direction of Miss Georgia Greenaway again stressed as a main theme—vocations. Several social times were enjoyed during the year. The members of the club contributed to the community life by collecting toys for less fortunate children on a scavenger hunt and collecting money for the "Mile of Dimes" at a service meeting.

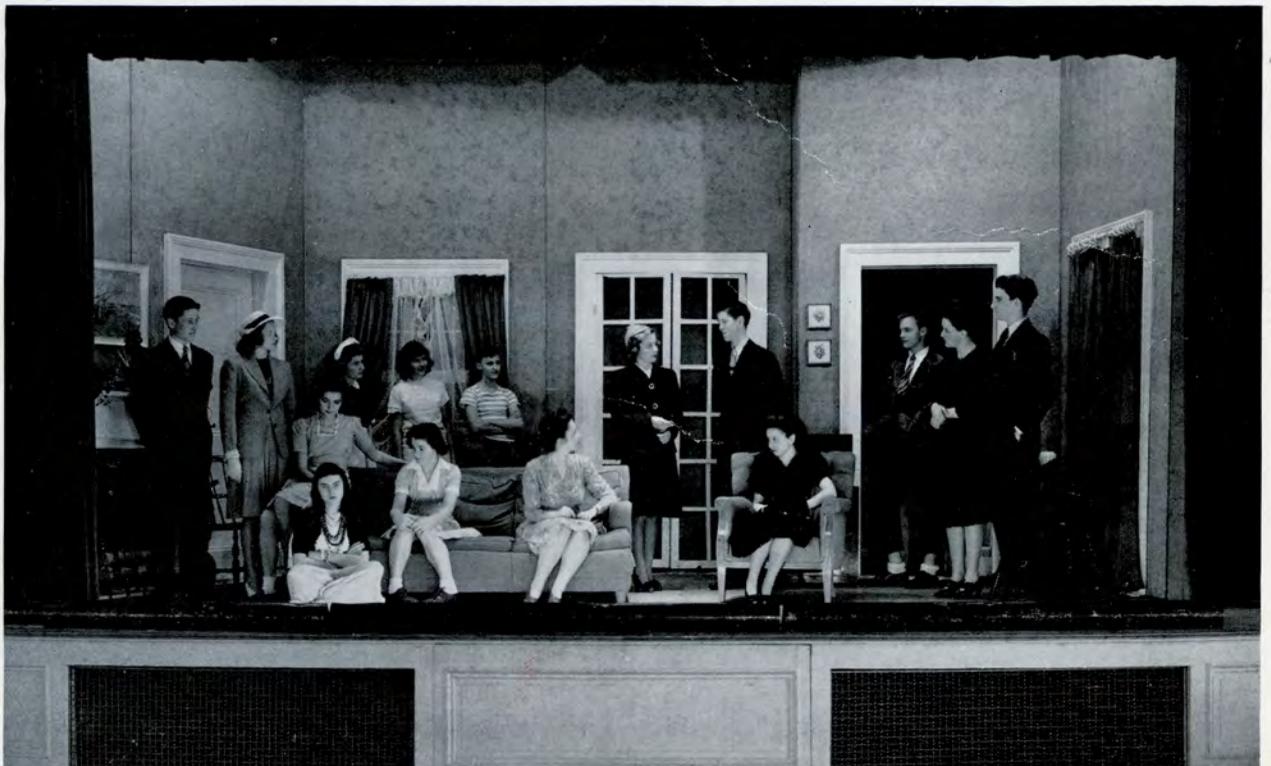

The Junior Girl Reserves had two advisers this year, Miss Doris Cole and Miss Doris Kibbe. Through their meetings and through the talks given by social speakers, the girls were urged to consider their future part in the world. This group also enjoyed several social affairs and participated in several community projects.

The two clubs had their own meeting place and their own officers, but they met together several times. Contributing to the school and giving valuable aid to the girls made this an excellent year for both clubs.

### Paint and Powder ★ ★ ★ ★ ★

Paint and Powder has completed another successful dramatic year. Under the faculty direction of Miss Anna McGuire and Miss Isabel Worth, the club has met in the Drama Room on the second and fourth Fridays of each month. This year seventy freshmen and sophomore boys and girls were enrolled.

The aim of the club is to develop ease through clear and pleasing speech and poise by self assurance. The experience of working and co-operating with many to produce an excellent finished product—a good production is continually stressed by the coaches. At

each meeting a short play was given or the club members performed exercises that portrayed the characteristics of a good actor. The club also strives to raise the level of its members to appreciate drama.

The annual public performance, two one act plays, was presented in April. The student body thoroughly enjoyed a one act play given in May for the assembly program by the youthful actors.

The club closed their dramatic season with a June picnic at which next year's slate of officers was read.

### Sock and Buskin ★ ★ ★ ★ ★

Sock and Buskin presented for its annual production this year the popular new comedy, "The Fighting Littles" under the direction of Mrs. Helen Page Skinner. For an assembly program the club gave "The Rivals" by Sheridan, a cutting of a three-act play which was enthusiastically received.

The club members enjoyed many interesting meetings under the direction of the executive board.

Sock and Buskin entered the Connecticut

Drama Festival which was held at New Britain on March 17th. Their choice was the one-act play "Way Station" by Thomas Duncan.

Last year, Sock and Buskin came through first in the State Contest and second in the New England contest. The play was "The Man Who Came From Gettysburg."

The club concluded its successful year with the usual initiatory dance in the High School Auditorium, May 18th.

## Biology Club ★ ★ ★ ★ ★ ★ ★ ★

A varied educational program which included a number of guest speakers was enjoyed by the twenty members of the Biology Club under the supervision of Mrs. Dorothy D'Amico throughout the year. Some of the subjects discussed were: "Teeth," "Embalm- ing," "Plant Oddities," and "Ants and Other Connecticut Insects."

The remaining meetings were spent on microscopic studies, dissecting, watching mov- ies, and playing biological games. A nature hike was planned early in the year, but had to be called off due to a severe blizzard.

These ambitious club members have carried out a well-balanced program which ought to leave them well prepared for the future world of science.

## Junior Red Cross ★ ★ ★ ★ ★ ★ ★ ★

The Junior Red Cross is the school or- ganization of the National Red Cross and it is the aim of every member of this organiza- tion to assist the Red Cross whenever it calls for help.

The club conducted a drive for the Amer- ican Junior Red Cross in the fall under the

supervision of their faculty adviser, Miss Helen Smith. In March the members as- sisted in the annual drive of the national or- ganization. The members also were active in the Old Clothes Drive, helping collect the clothes in the various home rooms and to prepare it in bundles ready to be sent off.

## Home Economics Club ★ ★ ★ ★ ★ ★ ★ ★

The Home Economics Club was re-organ- ized this year under the supervision of Miss Helen Whipple.

The meetings were held every Wednesday in the clothing laboratory. The girls made scrap books to send to the children at the Newington Home at Christmas. Later the members enjoyed a theater and dinner party and also a skating party. One of the meet-

ings was given over to Miss Gahr, a repre- sentative from Weldon's Beauty Salon, who gave the girls new ideas in hair styling. Other talks were given by Miss Henderson, of the Art Department, about "Color in Clothes" and one by a representative from "Modern Miss".

To complete the year a spring fashion show was given.

## Girls Leaders' Club ★ ★ ★ ★ ★

The purpose of the Girls Leaders' Club, which is to promote sports, was carried out to the utmost this year under the direction of Miss Doris Cole, Girls' Physical Education Instructor.

Membership in the club is open to any sophomore, junior, or senior girl who has shown keen interest in sports through participation, and who is able to pass a required test on rules of these sports included in our after-school activities. Training in leadership is offered each member through opportunities to assist the Physical Education Teachers in gym classes and conduct after school activities.

The annual Co-Recreational night, which was held during the Christmas season, was

a most successful one. In addition a Christmas party was held for the members at the last meeting before the Christmas vacation.

The Play Day Committee conducted a very successful play day in the fall to which girls leaders from three other high schools were invited. In the spring ten senior members attended a Square Dance Play Day sponsored by the club of East Hartford High School.

The girls concluded their year's activities with a picnic and an evening of sports. Plans for an Alumni Night were also carried out by the Play Day Committee and an evening of activity and fun was enjoyed by many of the former members of the club.

## Girls' Sports ★ ★ ★ ★ ★ ★ ★

Nine sports—tennis, archery, hockey, basketball, badminton, bowling, ping-pong, volleyball, and softball were conducted for girls this year under the direction of Miss Doris Cole and Miss Barbara Ditmars, Girls Physical Education Instructors.

In the fall, a tennis tournament was held for advanced players. Field hockey closed its season with an intramural contest. For the first time archery was conducted as an after school sport for seniors only. The large turnout for it proved its popularity.

In addition, basketball practices were held for several weeks, following which class teams

entered an intramural tournament. Once again badminton proved to be a very popular activity and both regular and advanced tournaments were conducted.

The spring season brought forth the baseball and volleyball fans, who enjoyed an intramural program in both sports. A double tournament in ping-pong was also played off in the spring.

Points were awarded to all the girls who participated in after school activities. They received their class numerals when they had earned 200 points; a small M for 450 points; and a sports medal for 1,000 points.

### CHEERLEADERS

*First row*—R. Quish, J. Wilson, S. Glenney, J. Dutcher.  
*Second row*—D. Poole, D. Boyd, R. Hadden, M. Person.  
*Third row*—P. Kirkpatrick, A. Karash.

## Cheerleaders ★ ★ ★ ★ ★ ★ ★

*Captain*—A. KARASH

The cheerleaders did a fine job of morale building this year, receiving several commendations in the local sports column.

After tryouts in the fall, five new members were added to the squad. Practicing twice a week, the squad worked towards group perfection of the old cheers, and developed five new cheers of which a football cheer was especially welcome.

During the basketball season, the cheerleaders and the band sponsored a pep song

contest. Cash prizes were awarded the three best songs entered. The songs were published in the *Manchester Evening Herald*, and were sung at all the basketball games.

Two rallies were held during the year to teach the new cheers and songs.

The cheerleaders have worked hard during the last two years to develop better cheering. This year, under the guidance of Miss Barbara Ditmars, they have continued to aim toward this goal, and the student body has given them enthusiastic support.

### AQUA-ETTES

*First row*—M. Beaton, E. Miner, J. Winchester, B. Teasdale, E. Macione.

*Second row*—M. Tiemann, J. Hall, D. Poole, B. Kent, H. Cox, L. Fountain, B. French, D. Speed, M. Heatley.

## Aqua-ettes

*Captains*—B. TEASDALE, J. WINCHESTER

*Manager*—E. MINER

Endurance swimming, diving, water stunts, gamed swimming skills, and life saving were practiced at the weekly meetings of the girls' swimming team.

In the fall, the executive committee of the club, gave swimming skill tests to prospective members, and the girls with the top fifteen scores were admitted to the club. A waiting list of seven candidates was also established.

In order to qualify for an award, a club member must swim 176 lengths of the pool, or two miles, during the year, and must attend meetings regularly. In addition, this year, some members have qualified for a junior or senior life saving certificate.

Under the leadership of Miss Barbara Ditmars the club has conducted instructive meetings and has sponsored splash parties for the student body. In the spring the Aqua-ettes participated in interclass competition and a play day with West Hartford High.

## BASKETBALL

## Basketball

*Co-Captains*—J. ROBB, L. KANEHL

*Coach*—MR. CLARK

*Manager*—R. BARRETT

The 1944-45 basketball season was one of the best for M.H.S. in many years. Out of thirteen starts the Red and White quintet won eleven and lost two games. The team attained this excellent record despite the fact that three of the original quintet left for the service during the season. By virtue of their many wins the Manchester High quintet was one of the three tied for first place in the C.C.I.L. between Manchester, Meriden, and Bristol and was the only C.C.I.L. team to

play in the C.I.A.C. Class A tournament match by downing Bassick High of Bridgeport in an exciting game, but was defeated by Hillhouse in the second round of the tourney.

One of the closest games of the season was the Meriden game, played here, in which the Red and Whites were defeated by a very small margin in an overtime period. Another overtime game was the one at William Hall High, but there, when the whistle blew, Manchester was the winning team.

Several underclassmen distinguished themselves during the season. A bright season is promised for next year as many experienced veterans are expected to return.

## FOOTBALL

*First row*—G. Bonnet, J. Wenzel, R. Pierro, J. Robb, F. Annulli, R. Hubbard, E. Degutis, S. Bellinghiri, H. Miner, R. Kanehl, R. Stansfield, J. Berry, B. Lavey, J. Chipps.

*Third row*—V. Genovesi, R. Stratton, M. Hayes, G. Vincek, B. Harmin, F. Turkington, J. Struff, J. Coughlin, J. Rogers, V. Botterton, R. Brower, C. Botterton, D. Klemer.

## Football

*Captain*—E. DEGUTIS

*Manager*—J. CHIPPS

*Coach*—MR. KELLEY

Mr. Kelley, starting without an overabundance of star veterans, succeeded in winning two out of five starts. Manchester went down to West Hartford, Middletown, and Bristol but succeeded in defeating Meriden and East Hartford.

The star game of the year was the me-

morial game played October 27, which was dedicated to the boys of Manchester and East Hartford who have lost their lives in the services.

Despite the rather poor season, the players showed excellent sportsmanship and Captain "Red" Degutis showed outstanding ability as the backbone of the team.

Next fall Coach Kelley should really go places as many underclassmen were on this year's team. Bob Clifford has been chosen captain of next year's eleven.

## CROSS-COUNTRY

*First row*—B. Bray, J. Donovan, W. Bray, H. Stevenson, W. Strange, D. Hall, R. McKinney.

*Second row*—F. Vichi, H. Shaw, J. Cunningham, J. Hooker, D. Pendleton, C. Waite, R. Brown, W. Mullins.

*Third row*—Mr. Wigren, P. Risley, B. Warnock, M. Johnston, F. Newman, P. Hildebrand, S. Belluchi, J. McKay.

## Cross-Country

*Captain*—H. STEVENSON

*Coach*—MR. WIGREN

*Manager*—J. BOWEN

Charles Wigren, who has pulled more than one championship cross-country team out of the bag, was left with a host of veteran

first team runners with which to start the season. These veterans and some newcomers copped the C.C.I.L., the State Championship, and placed second in the New Englands.

The team defeated Bristol, Hartford Public, Weaver, New Britain, Plainville, and Middletown in dual and triangular competition.

## TRACK

*First row*—S. Vince, V. Giangrave, J. Vice, B. Johnston, R. Douglas, J. Wenzel, A. Bray.

*Third row*—J. Bowen, J. Moriarty, V. Botterton, R. Sasse, W. Wochna, F. Shea.

*Fourth row*—J. McKay, R. McKinney, Mr. Wigren, C. Waite.

## Track ★ ★ ★ ★ ★ ★ ★ ★

Coach Charles Wigren's track team began the season with the indoor state meet at Choate School, Wallingford, Connecticut. The team tied for second with Hartford Public as New Britain gained top honors.

In the next meets, which included both dual and triangular competition, M.H.S. defeated Hartford Public, Weaver, New Britain, William Hall and Middletown.

William Shaw '44 and Ray Zemanak '44 proved to be the outstanding members as

they gained most of Manchester's points in meets.

The Red and White went on to win the C.C.I.L. and also captured the state title in the C.I.A.C. at the University of Connecticut.

Next year's co-captains, William Bray and John Wenzel, will have but a fair season to look forward to as there are only eight lettermen able to return.

## BASEBALL

*First row*—B. Lavey, J. Gleason, R. McCann, R. Gaudino, V. Bronke, A. Surowiec, L. Kanehl.

*Second row*—Mr. Sacherk, J. Hansen, S. Schriber, J. Finnegan, W. Anderson, L. Vendrillo, P. Dolsen, C. Spencer, J. Keeney, N. Comollo.

## Soccer ★ ★ ★ ★ ★ ★ ★ ★

*Captain*—M. LA FRANCIS

*Coach*—MR. REED

The soccer team, guided by Mr. Wilmot Reed, was able to tie or win most of their

games, with the outstanding game being played against Rockville, whom they tied 3-3.

With most of the first string going into the service or graduating, Coach Reed will have to start out next year with a new squad.

## Baseball ★ ★ ★ ★ ★ ★ ★ ★

*Coach*—MR. KELLEY

*Captain*—R. GAUDINO

*Manager*—D. KENNEDY

Baseball suffered greatly due to the loss of many of its experienced players to the armed services.

The first six games ended in sad defeat,

but following this M.H.S. had a nine game winning streak which put us almost in top place for the C.C.I.L.

Coach Tom Kelley broke in a number of underclassmen whom he expects to use for the next season.

Prospects for next year's baseball team aren't too bright as many positions will have to be filled with new members.

## Swimming ★ ★ ★ ★ ★ ★ ★ ★

*Coach*—MR. SACHEREK

*Captain*—S. CUSHMAN

*Manager*—N. COMOLLO

The swimming team, ably coached by William Sacherek, won two meets out of a possible six. Meriden and Middletown proved to be no match for M.H.S. swimmers and the strong Hartford team nearly proved to

be likewise when Manchester came very close to winning.

Bristol, Hamden, and Crosby also won over M.H.S. although Manchester staged a losing fight.

The team has been improving, since it started last year for the first time, following our entrance into the war. Next year's prospects are even brighter though many first squad members are seniors.

## Tennis ★ ★ ★ ★ ★ ★ ★ ★

The team was coached by Mr. Wilmot Reed during the seasons of 1944 and 1945. Last year's tennis team, although a capable one, won but one game.

This game was played with Middletown. The other games were played with Meriden,

Bristol, and West Hartford.

The prospects for a successful team this year 1945, looms eminent. Three veterans are returning to the day courts to put their team on the winning list.

## Golf ★ ★ ★ ★ ★ ★ ★ ★

The golf team was coached by Mr. Wright during the seasons of 1944 and 1945. Last year's team ended its season without winning

any games.

Their competitors were Norwich and Newington.

**Quality Milk  
for  
"Better Health"**

Shortages, price increases, and poor service — the three wartime bugaboos of nearly all products are not present at Dart's.

Our product is improved and in addition to Vitamin D Homogenized milk, we now offer another premium product in our Grade "A" pasteurized milk.

Other quality items sold at Dart's Dairy are: Family grade pasteurized milk and Family grade raw milk — Light Cream, Buttermilk — Conn. Grade AA, Dated, Extra Large and Medium Eggs. All eggs in addition to being graded and dated, are candled.

All the above items are sold at ceiling prices or below and our dependable, courteous service is gaining a multitude of friends for us.

Why not call us now and let us deliver a sample to your house?

## Tomorrow's Peace Time Jobs Are In the Planning Stage Now!

Even though we are still very busily engaged in war production, business executives are making plans to provide jobs for you in the years to come.

If possible, complete your education — in other words don't stop with graduation from High School. The more complete and comprehensive your education the faster you will be able to progress in the post-war era.

*To the Graduating Classes of 1945*

Greetings and Good Will

We wish to take this medium to extend to you — and through you, to your parents, our heartiest congratulations — this is indeed a proud day for all of you.

But this is also a time when a good many of you will have to leave home “perhaps” and try to make a place for yourself in the world. May your aspirations — and the hopes of your parents come through. Honor your parents — then you will honor the school that graduated you and your City and Country will be proud of you.

*WE WISH YOU SUCCESS*
