PEACEFUL NEW ENGLAND

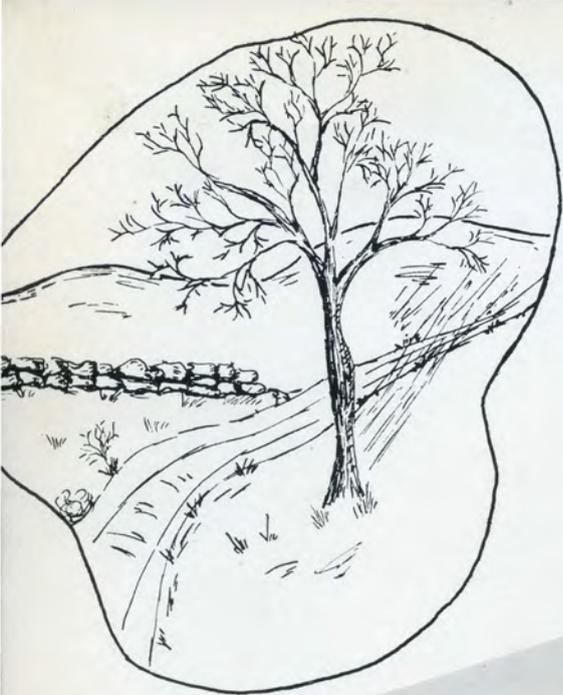

The old oak tree's autumnal glow
 Shading the gilded green below;
 A prismatic, lustrous winter day
 With crystal and white on branches gray;
 Shimmering dew-drops, violets blue,
 Golden forsythia, sunset's hue,
 Cool green willows, babbling brooks,
 Sloping lawns and shaded nooks,
 Friendly handclasps, a churchbell's peal;
 Thanks to God as in prayer we kneel;
 June graduation in cap and gown—
 These are what make my New England town.

VETERANS SCHOOL

The veterans division has steadily grown since its inception on January 14 of this year. The faculty members assigned to the veterans school were Mrs. Gertrude Hitchcock, Mr. Anthony Alibrio, and Mr. Charles Hurlburt, all of whom are veterans themselves.

The veterans enrolled in the school program were divided into two categories—those who left school before graduation and returned to earn additional credits toward a high school diploma, and those who were preparing for college. The incoming veterans were equally enrolled in each group.

The subjects offered the veterans were similar to the general high school subjects, among them were: history, mathematics, problems of democracy, algebra, geometry, biology, physics, and English. The number of subjects taken by an enrollee depended entirely upon his individual requirements; he could carry as few as two subjects or as many as four or five.

Attendance at assemblies was not compulsory; they could attend if they so desired. The use of the recreation facilities was open to the veterans, and they were allowed to join the S. A. A. Furthermore, the program was not limited to Manchester men only, and several men from Rockville and Glastonbury attended classes.

HIGH SCHOOL WORLD

The *High School World* publishes a weekly page of school news in the *Manchester Evening Herald*. The *World*, as it is commonly known, is run like a typical newspaper. The different departments of the staff include reporting, typing, editing, and photography.

The *World* has weekly meetings in preparation for the coming publication, and to practice journalistic technique.

Each year the *World* sends delegates to the annual "Connecticut Scholastic Press Convention", which this year was held in Meriden, Conn.

The end of the war made it possible for the *Herald* to give back the pre-war amount of space, consisting of eight full columns instead of the six to which the war curtailed the page.

STUDENT COUNCIL

The Student Council unifies and supports the extra-curricular activities of the school and furthers in all ways the best interests of the school.

The importance of this group of school leaders elected to represent the student body has been emphasized at their meetings held during the school day.

The 1945-46 S.A.A. campaign resulted in over a thousand members. Other successful campaigns were: the Junior Red Cross; War Fund; Red Cross Roll Call; March of Dimes; and Christmas Seals. Victory bonds

and stamps sold through December paid for a three thousand dollar hospital unit. Because of the excellent cooperation of the students the minuteman flag was kept.

M.H.S., through the Student Council, has helped the war effort by salvaging paper and sending Christmas greetings to the alumni in the service.

The Student Council sponsored the annual Prom, and Friday night informal dances.

The singing of Christmas carols by the home rooms was revived this year.

A CAPPELLA CHOIR

The A Cappella Choir once again has experienced a successful and enjoyable season under the direction of Mr. G. Albert Pearson.

In the annual Christmas Concert, the Choir presented George Handel's renowned "Messiah" at the South Methodist Church. The Round Table Singers, composed of twelve A Cappella members, sang in the Christmas Assembly, for the Kiwanis Club, and caroled at the Manchester Memorial Hospital.

On May 10, the choirs—A Cappella, Boys', Girls' and The Round Table Singers, participated in the exercises of the Connecticut Music Educators Association at Greenwich, Connecticut, and on May 17, in the C.C.I.L. program at Meriden, Connecticut.

The season was completed with the Spring Concert held in May and the Outdoor Festival in June, comprised of the choirs, band, orchestra, and the seventh and eighth grade pupils.

ORCHESTRA

First row—P. Karlin, J. Miller, K. Williams, E. Burnham, A. Tedford, B. Turkington, J. Rogers, J. Halladay, J. Francis, Mr. Vaders.
Second row—A. Winzler, B. Jones, F. Munsey, F. Bocchino, K. Dailey, R. Brunnette, P. Demewsy, R. Schubert, W. Grzyb, W. Miller, M. Doebner.
Third row—L. Freedman, P. Gruessner, J. McKay, J. Niebell, K. Barrett, A. Gustafson, D. Kennedy.
Fourth row—J. Cragin, G. Greene, E. Miller, A. Rogers, R. Azinger.

ORCHESTRA

The orchestra, this year under the supervision of Mr. William Vaders, played at most assemblies and also for the commencement exercises.

Music is an emotional outlet for youth. Playing music gives inspiration, freshens and stimulates the mind, fortifies and strengthens the spirit. Playing music gives the students confidence in their own ability, affords them pride of accomplishment, and provides

them with a taste of the thrill of achievement. Thus the orchestra has given its members opportunities to take advantage of these values.

During the year the orchestra studied choice arrangements of noted composers such as Strauss, Weidt, and Tschaiowsky. Thereby the orchestra contributed much to the success of the assemblies, plays, and the final appearance of the year—graduation.

BAND

The 1945-46 season was especially active for the forty-one members of the band. Under the direction of Mr. William Vaders they had a very successful season. This past year the band gave many benefit performances to help raise money for new uniforms.

The first appearance of the band occurred September 25, 1945, when they played for a town meeting. On September 29th they appeared in the All-service Parade. Besides these outstanding performances, the M.H.S. Band played at all the home football games

and practically all the home basketball games.

The band participated in a new C. C. I. L. Music League, and in a state music festival held in Greenwich in May. It also took part in the Memorial Day Parade and the annual outdoor festival.

On April 10th the band from Ithaca University gave an afternoon concert.

The combined choir and band gave a two-day concert to raise the money for transportation to Greenwich.

SOCK AND BUSKIN

September 1945 found fifteen Manchester High School Seniors of Sock and Buskin, charter members of the national dramatic honorary society, National Thespian Troupe 644.

Under the leadership of Mrs. Helen Page Skinner, the Thespians were in charge of all dramatic meetings for the first semester of the school year. During September and October these students made a study of poise, posture, voice, and pantomime. They spent the remainder of the term studying speech, acting, and interpretation. Each member was also required to direct a one-act play, among these were: "Which Is the Way to Boston?" "Grandma Pulls the Strings", "Western Night", "Jazz and Minuet", "A Long Christmas Dinner", "Kidnapping Betty", and "The Valiant."

The second half of the year was turned over to non-Thespian members in order that they might gain sufficient points for the national society.

The annual public performance of Sock and Buskin was presented on February 13 and 15. "Arsenic and Old Lace", a well-known mystery drama, was the choice of the club.

The youthful actors presented the one-act play "Chimney Corner" at the Connecticut Drama Festival, competing with eight schools, in New Haven on March 30 and placed third.

Sock and Buskin closed the dramatic season in May with the annual dance at which time an impressive Thespian candlelight initiation was held.

SENIOR GIRL RESERVES

For the first time in the history of the Manchester Girl Reserves, the senior club under the supervision of Miss Georgia Greenaway, acted as hostesses at an all-day conference at the local Y.M.C.A. The regular week-end conference at Camp Aya-Po proved highly successful for all who attended.

Important service projects carried out were the sending of Christmas packages to families in Holland, and the dressing of several Greek girls. Letters were received by the members of the club, thanking them for their thought-

fulness, and stating how badly the things were needed.

The club has had the privilege of entertaining several speakers who came to the meetings to talk on fashion, vocations, and conditions in foreign countries. Skating parties with the Hi-Y and a semi-formal dance given by both clubs are traditional.

The club members worked diligently in carrying out the ideal of the club—that of being of service to their home, community, state, and country.

JUNIOR GIRL RESERVES

Year by year the Junior and Senior Girl Reserves Clubs of Manchester High School have been increasing. This year, the Junior Club, with the support of Miss Doris Cole and Miss Doris Kibbe, has once again been successful.

The club members took part in two service projects: sending boxes to servicemen over-

seas, and sending clothing to the people in France. But the girls not only worked, they had their share of play as well. They were fortunate in having Eddie Nadel, well known dancing expert of Boston, come to a social to direct folk dancing and square dancing. They also sponsored a get-acquainted party for the sophomore girls, who will become Junior Girl Reserves next year.

DEBATING

The Debating Club, under the direction of Mr. George Dougherty and Mr. David Hartwell, held weekly meetings at which time popular subjects were debated. These subjects were: "Compulsory Arbitration of Strikes" and "Sharing the Atomic Bomb Secret." In the assembly, held in January, the Club showed its talents by giving an entertaining and enjoyable debate on "Compulsory Military Training." This assembly proved to be one of the most educational and

well-liked assemblies which has been held. Outside debates and discussion groups were also held. A speaker from the Debating Club was sent to Hartford to discuss "Free Trade Necessary for World Peace" on the Junior Town Meeting of the Air.

Both faculty advisers feel that the members of the Club have shown added interest this year, and that they have had a very successful year.

SPANISH CLUB

The first, second, and third year members of Miss Beulah Todd's Spanish classes and the first year members of Miss Doris Kibbe's classes, devoted two class periods a month to club programs.

The third members have supplemented their regular class work with oral reports from "Selecciones del Reader's Digest" to which the students subscribe themselves and from "Revista Rotaria" which the class receives as a gift from the Manchester Rotary Club. Timely projects have included the translation of important historical documents and proclamations. Their spring project consists of an interchange of correspondence sponsored by the Gallic Center of Argentina in order to increase cultural relationships.

Oral reports, original dialogues and skits stressing everyday Spanish conversation and events have been the outstanding features of the second year clubs. Quiz and musical programs as well as Bingo games of Spanish vocabulary words have enlivened the programs.

The first year classes have concentrated upon learning new Spanish words and idioms in conversational skits, especially in programs commemorating all holidays and important events. They also held Christmas and Valentine socials. A Pan American Day program was their spring project.

Miss Kibbe's classes have concentrated on speaking Spanish and on stressing good relations with South America.

FRENCH CLUB

This year the first, second, and third year French Clubs have met twice a month under the direction of Miss Low. The programs were varied and carefully planned by the program chairmen. The roll call was answered by giving names of French cities, famous men, holidays, and foods, and with an explanation in French concerning each of them.

Special reports, given in French and English, informed the members of current events and customs in post-war France. Crossword

puzzles, vocabulary games, and spelling matches proved to be interesting as well as educational at several meetings.

Some meetings were devoted primarily to French music, sung and played by talented members, while at other meetings original skits and plays were enacted.

Through their club meetings members of Les Cercles Francais have been able to gain more knowledge of the country and people whose language they are studying.

CURRENT AFFAIRS CLUB

The Current Affairs Club was revived this year after being disbanded during the last war year.

The club is on a small scale with fewer members than in previous years. The members are Seniors and Juniors who will become next year's officers.

Under the direction of Mr. Piper, the club is striving to give its members a clearer

picture of current international, national, and local problems.

A representative of the club has taken part in three radio broadcasts one of which was held in the High School Auditorium.

Mr. Piper is convinced that the revival of the club was a wise move both for the school and students.

The Home Economics Club, under the direction of Miss Helen Whipple, met bi-weekly in the clothing laboratory.

The main theme of the year was to become acquainted with foreign food and customs. To carry out this plan, club girls of different nationalities prepared and served their national dishes in the foods laboratory. During the year the girls have enjoyed Swedish, Italian, French and Spanish meals. This series was

topped with an American hot dog roast. After one of the suppers, Miss Cahr, from Weldon's Beauty Salon, spoke on good grooming.

One of the meetings was devoted to a program on home furnishings.

In addition to this, a spring sewing program was carried out for those girls interested in making some of their summer clothes such as dresses, blouses, and sport clothes.

PAINT AND POWDER

Under the direction of Miss Anna McGuire and Miss Isabelle Worth, Paint and Powder has successfully completed another dramatic year. The club has held its bi-monthly meetings in the Drama Room. At each meeting either a play was presented or the technique of acting was studied.

The purpose of the club is to develop poise, clear speech, and self assurance. Through the interpretation of various roles, students learn to appreciate character types and to discriminate between the worthwhile and the

unworthwhile in drama. Not only through character portrayals, but through working on play committees, the members learn the value of cooperation, dependability, accuracy, and promptness.

The club activities were started by an initiation party. An assembly play entitled "And Now There Is Buford" was presented in April. On May 3 the annual public performance of three one-act plays was given.

The club's successful dramatic year closed with a picnic in June.

Several members were chosen to represent their organization in the Youth Government sponsored by the state Y.M.C.A. Two more members were chosen to attend the Torch Fellowship, an organization of the Hi-Y.

On February 22nd, the annual Hi-Y Girl

Reserve dance was held in the High School Assembly Hall with one hundred and thirty couples in attendance. The appropriate decorations for the dance centered around the theme of George Washington's Birthday.

The Hi-Y and the Girl Reserves served as host and hostess at two roller skating parties held at the Wells Street Auditorium during the winter.

LIBRARY CLUB

The Library, during the past year, has been under the supervision of Mrs. John Gerardi. There were forty-three members of the Library Club, each of whom spend one or two periods of work a week in the Library. Their work consisted of filing cards in the catalogue, shelving books, making posters and checking books in and out.

Book week in November was celebrated by working on a Pan-American Union Exhibit which sponsored original pictures done by children in South America. Tag Day was

held again this year and brought in over fifty-eight dollars to the club. Current books chosen by the students were bought with this money. The club also collected used books which were in good condition and gave the books to the Newington Home for Crippled Children for their Library.

Social activities for the year included the initiation of members, a Halloween Party, a dance, and a Pot Luck Supper for the departing Seniors.

QUILL CLUB

The Quill Club, formed for the purpose of encouraging creative writing, has held weekly meetings under the direction of Miss Marion Casey and Mr. Leo Burrington. Through the efforts of President M. Bursack, Vice-President R. Jones, Treasurer M. T. Robinson, Secretary M. Sasiela and club

members they compiled a Literary Magazine, *The Quill*, which was published for the first time February 1. Contributions were submitted by the entire student body, and members of the club made the final choice of material. *The Quill* was enthusiastically received by the school.

BIOLOGY CLUB

Under the supervision of Mrs. Dorothy D'Amico the club has had an enjoyable year. The varied program included the raising of plants with chemicals—"soilless gardens," the study of the microscope and the observing of microscopic plants and animals.

Two interesting features were the observ-

ing of a live turtle, kept in a tank, throughout the year and the complete study of the frog from surface study to the final step which was the mounting of the bones.

The club had a highly successful year and was thoroughly enjoyed by all members.

“How-to-do-it”, a series of demonstrations, one at each meeting, on various media such as oils, frescoes, charcoal and water-colors,

was another new feature of the Art Club.

The Art Club continued its policy of buying victory stamps instead of paying dues.

During club meetings, individual work was done with whatever medium the members desired. Sketching trips were enjoyed by the members during the year.

GIRLS SPORTS

The full seasonal program was again held for all girls participating in any sport, under the supervision of Miss Doris Cole and Miss Barbara Ditmars.

During the fall season, field hockey, speedball, and tennis were conducted for all classes. The senior and sophomore field hockey teams displayed very keen competition in the Inter-class games, with these two teams tying for top honors.

A bowling tournament for the juniors and seniors took place in the early winter, while the freshmen and sophomore teams started competition after the February vacation.

Basketball was again rated high in popularity with all the girls. Practices were held for several weeks, following which the class teams competed in an intramural tournament.

Badminton was again enjoyed by many,

and double tournaments were held at the end of the season.

Volleyball was well attended as usual. Practice periods were scheduled, during which technique and rules of the game were learned. Intramural contests were conducted, with freshmen playing sophomores, and juniors against seniors.

Softball, also a popular spring activity, was offered to all girls, and inter-class games similar to basketball meets were held. In addition, there were ping pong tournaments.

Awards were given at the end of the year according to the number of points a person had. Class numerals required 200 points; small M, 450 points; big M, 700 points; and a gold sports medal for the person with 1000 points, provided she possessed character, leadership, and good sportsmanship.

This club meets in the school swimming pool every week under the leadership of Miss Barbara Ditmars, girls' physical education instructor.

After fall try-outs consisting of: four strokes, one dive, under water swimming, tread water, and float, many new members were admitted to the club. Perfecting swimming and diving forms, racing techniques, water games, relay races, formation swimming, methods of teaching swimming and

diving, and splash parties composed the program.

Members who have been outstanding in the club receive awards at the end of the year. Awards are based on attendance, attitude, cooperation, and swimming 176 lengths.

Spring plans included a play-day with Hartford High and inter-class swimming meets. The spring swimming party was held at a nearby lake.

Second row—R. Quish, S. Todd, P. Townsend, P. Stevenson, J. Wilson, T. Dubanowski.

Third row—C. Sonnikson, B. Turkington.

CHEERLEADING

To stress the importance of cheering at all football and basketball games, two successful rallies were led by Captain Shirley Glenney this year.

Six completely new cheers were created by the group, and several old cheers brightened up with new formations, such as the circle, couples, and the "V". Rosemary Quish, Shirley Glenney, Phyllis Townsend, and Elizabeth Kirkpatrick clicked as an especially creative nucleus for the squad, with Rose-

mary sparking four cheers to completion.

The band co-operated with the cheerleaders to provide a booming drum for the Manchester Chant, and the Old Locomotive.

Two practices a week kept the cheerleaders hard at work; and as a result of their enthusiastic efforts, the leadership of Captain Shirley Glenney, and the co-operation of the student body, a fine Manchester cheering section was created this year.

GIRLS LEADERS' CLUB

The Girls Leaders' Club, under the direction of Miss Doris E. Cole, Girls' Physical Education Director, enjoyed a most successful year.

Carrying out to the utmost the purpose of the club, which is to assist their instructors in class and aid her in extra-curricular activities, acting as referees, score keepers, the girls learn fully the importance of sound leadership. In this way they are trained to become leaders.

Any sophomore, junior, or senior girl, who has shown a keen interest in sports through participation in after-school activities, and who is able to pass a test on the rules of these sports, is eligible for membership.

Once accepted, a girl must participate in two sports a season, as well as maintain a C average in her studies, and a B average in Gym.

Definitely not an all work and no play

organization, the Girls Leaders' Club attended three play days at West Hartford, East Hartford, and Weaver respectively, and sponsored a very successful play day in January to which girl leaders from three other schools were invited.

In December, the annual Christmas Party was held. Two Co-recreational Parties were enjoyed in the spring and fall respectively, to which boys were invited and given an opportunity to take part in a sports program with the members. Plans for an Alumni Night were carried out in March; in April, a special Sports' Day program for grammar school girls about to enter high school.

The club, having purchased a Youth Hostel pass, plan to take bicycle trips to the Hostel Camps in Connecticut.

The year's activities were brought to a close with the final outing in June.

The Manchester High Cross Country team, under the direction of Coach Charles Wigren, enjoyed a most successful season. The team won all of its four meets and went on to annex the C.C.I.L., the State Championship, and the New England Championship.

The team started the season of victories by defeating New Britain 18-30. The champions defeated Weaver 20-25 and Middletown 18-37.

In the State meet, Manchester came out on top with a score of 42.5. Hartford and New Britain followed by scores of 62 and 92 re-

spectively. Ten teams competed in the meet. This was not the end of the season for the mighty squad. They brought fame and glory to M.H.S. by winning the New England Championship by edging Hartford Public High and LaSalle, Rhode Island. The scores were Manchester 91, Hartford 98, and LaSalle 100. Twenty-two teams competed in this meet.

Many veterans will be back next year to carry on the good work. Robert McKinney was elected to lead next year's champion bent team. With all but two lettermen returning the team will be heavy favorites to annex the State and New England crowns.

The team started outdoor competition by participating in the Connecticut Relays at

the University of Connecticut. The team was defeated by New Britain but came back in the next meet to defeat Middletown. The team next finished second to Hartford in a triangular meet with Hartford and Bristol. The team also finished second to West Hartford in another triangular meet.

After failing to win the state meet the Red and White finished second in the C.C.I.L. with West Hartford gaining first place.

The team can look forward to a very promising season this year with a host of better men returning. The 1946 season has been led by Captain John Donovan.

The Manchester High Basketball team finished a very successful season by outscoring Meriden 35-29. During the 1945-46 season Manchester won 11 games and lost 6. Manchester also lost the first game of the State Tournament to Torrington 58-48. The team took second place in the C.C.I.L. with Bristol in first place. Two games were played with the Alumni, Manchester taking the first 30-29 and the Alumni winning the second

45-41. For the first time in a number of years Manchester played Weaver High School. The Red and White lost the first game by a one-sided score 45-23, but won the second in a thrilling overtime period by a score of 34-30. Manchester also played St. Thomas Seminary of Hartford but lost 62-42. Captain Robert Tedford and James Murphy did most of the scoring for the Red and White.

The entire first team will be lost at graduation and their places will be filled by underclassmen.

FOOTBALL

Manager—GEORGE BONNET

The football team won one game and lost five of the scheduled games. The team was made up almost entirely of inexperienced players, due to the loss of many of the players of the previous year and of some of the members who entered the armed services. It was further weakened by the loss of its captain after the second game because of a broken arm and due to the injuries of varsity team men during the season.

In the opener, the team defeated Bristol by a close score of 8-7. Trudging to West Hartford, the team was defeated 9-6 in another thrilling game. The remainder of the

season was a series of defeats with the team losing to Meriden 14-0; East Hartford 13-6; Middletown 25-12; and the final game of the season to Hartford Bulkeley 32-0.

The most exciting game of the season came when the Red and White traveled to Middletown to play the highly rated Middletown Tigers in a night game. The Red and White was defeated 25-12, but it was not until the last quarter that Middletown was able to score its winning touchdowns.

The team will lose the entire first string due to graduation. Their places will be filled by underclassmen who performed well during the season. Captain elect for the '47 season is James Coughlin.

The swimming team won one and lost five of the possible six meets. The team's first competition was against Middletown who won the meet 44-31.

Manchester High School then met Crosley and Hartford Public High School and were

completely outclassed. The next two meets were closed with Bristol and Meriden. West Haven, who had previously defeated Meriden, was beaten by Manchester 40-35.

With only two men to be lost at graduation, Mr. Alibrio, who returned from the Army in January, replaced Mr. Sacharek. He is looking forward to a good season next year.

SOCCER

Coach—MR. EDWARD LYNCH

Captain—BURTON CARLSON

The Manchester High soccer team tied one and lost five out of the six-game schedule. The season started with a loss to Meriden 5-1. Manchester lost to West Hartford in the second game 2-1. The rivalry between Ellsworth and Manchester continued and the South Windsor team won both contests by scores of 3-0 and 4-0. The most thrilling

game of the season was played against Rockville when Manchester and Rockville tied, 2-2. In another game with West Hartford, the team lost 5-1.

Most of the starting lineup will be lost at graduation. Mr. Wilmot Reed, the regular soccer coach, was called to the service of his country. Mr. Edward Lynch then took over the duties of Coach Reed for this season.

Acting Captain—EDMUND BROWN

The 1945 season for the baseball team can be entered into the records as a fairly successful season. The Red and White nine, although lacking power at the plate, and a strong pitching staff, gained recognition by winning 8 and losing 4 games. Bristol High School, a dominant power in baseball in the C.C.I.L., was dealt a sorrowful blow, when

it was dead-locked *for the C.C.I.L. championship with West Hartford, only to lose out when defeated by an inspired Red and White nine.

The 1946 season looks very bright with practically a complete veteran team coming back with sufficient experience to give the schools in the C.C.I.L. a fight for laurels. The '46 team has been led by Captain James Murphy.

TENNIS

Coach—MR. WILMOT REED

Captain—SIDNEY WEBNER

Manager—RENO GRASSO

The tennis team of Manchester High School placed fifth in the State Tournament.

All of the scores for the season were close but Manchester did not register any victories. They played a seven-game schedule two with West Hartford, two with Hartford, two with Meriden, and one with Bristol.

GOLF

Coach—MR. RUSSELL WRIGHT

Captain—MALCOLM LA FRANCIS

Manager—WILLIAM DICKSON

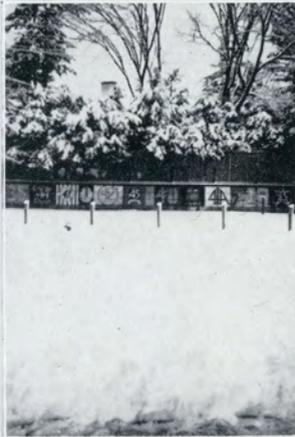

During the years 1944, 1945, and 1946

Mr. Wright has coached the golf team. Last year's team won one game and lost three of the four scheduled games. The team played Norwich three times and Hartford Public High once.
