FOREWORD

We are now ready to enter another phase in the game of life. In our new ventures a good character, spiced with a keen sense of humor, will be an attribute that will help to create understanding and friendship with our fellow citizens. It is sincerely hoped that the future will reflect on all of us gladness, happiness, and joy.

DEDICATION

We, The Class of 1947 Gratefully

Dedicate Our

SOMANHIS

TO

MR. DWIGHT E. PERRY

who, through his cheerful personality and keen sense of humor has stimulated us to enjoy and appreciate the study of mathematics. In his untiring efforts as faculty manager of sports he has made our years in high school happier and more enjoyable.

In Memoriam

MARGUERITE OATES CAMPBELL
Manchester High School Faculty 1921-1946

Marguerite Oates Campbell, for twenty-five years teacher, counselor, and friend to hundreds of Manchester High School boys and girls, passed away December 11, 1946. Since 1934 she served as head of the Social Studies Department. In the years 1939 to 1944 she was faculty adviser to the Student Council. Her classes included United States History, Modern European History, and Problems of Democracy.

Her friendly disposition, her cheerful smile, her devotion to the needs and interests of all her pupils, her loyalty to her own high ideals and to her fellow workers, her sympathy and readiness to help, counsel, and advise all who sought her aid, together with her deep knowledge of her subject matter and the youth in her classes, all served to make her one of Manchester High School's most beloved teachers.

In appreciation of her untiring efforts in behalf of Manchester High School, the staff of the 1947 SOMANHIS respectfully dedicates this page.

"MEMORIES"

Let us not forget the days
That made our hearts beat fast,
The days all flecked with memories
Of a soon forgotten past.

Remember how on springtime days
We tried to skip our classes,
And gathered on the steps outside
In little babbling masses?

Our homework that was left undone
Required a few excuses.
They were the best that we could find,
But they had had their uses.

We struggled on with Latin,
And with math and history too,
But somehow countless other things
Threw our thoughts askew.

There were so many pleasing things
Like dances or a game.
It seemed so very sad to us
When graduation came.

And now that we have passed along,
And left a place for more,
We wonder if the future has
As happy things in store.

Veterans' School

This was the second successful year for the veterans' school which opened in September with an enrollment of one hundred twenty-eight veterans. Later this number increased to a high of one hundred thirty-two.

Due to the large number of applicants from veterans the school had to limit applications to Manchester residents. To meet this large expansion new teachers were added to the faculty, and some of the classes were held in rooms in the South Methodist Church and the Barnard building.

The veterans school held the same sessions as the high school. The subjects taught were general high school subjects which included, economics, economic geography, algebra, geometry, English, chemistry, physics, history, problems of democracy, and biology. The subjects were taught by two full-time teachers and five part-time teachers.

Some of the veterans attended the school to complete their high school education, while others returned to take preparatory courses before going on to college.

One of the newest organizations to be formed in Manchester High School is the Manchester High School Publications Staff. This staff descended from the SOMANHIS Business Staff, but this year it had its own special job, which consisted of securing sub-

scriptions to the *Quill* literary magazine, as well as SOMANHIS, and handling all finances, collecting the advertising, and distributing the issues of the respective magazines.

Two meetings a month were held, with twenty-three members present, under the direction of Mr. Russell Wright.

"Stop us if you've heard them before."

Front Row: M. DeCiantis, J. Coffin, C. Worgan, B. Vice, E. Emery, G. Ferrell.

QUILL CLUB

Quill Club, an organization designed to promote interest in creative writing and production of the school literary magazine, has had a successful year, with Miss Marion Casey as faculty adviser. For business purposes the staffs of *Quill* and SOMANHIS are now combined under the name of "Manchester High School Publications." This year the first issue of the *Quill* was published directly following the Christmas vacation. An innovation in the magazine was advertising, with Mr. Russell Wright in charge.

Material for publication was submitted by

any members of the student body who desired to do so, either through their English classes or independently, and at the weekly club meetings, scripts were read and criticized. A staff, composed of members of the club, selected material for publication and did the proof reading.

As has been the custom in former years Quill Club again sponsored a literary contest with cash prizes for the best prose and poetry submitted. Another activity of the club was the designing of original Christmas cards which were sent to each home room.

"Solid geometry isn't so hard as you might think, it's twice as hard."

Front Row: B. Slover, C. Tarpinian, C. Sonnicksen, M. Dickson, S. Trustenitzer, A. Pazianos, O. Krupen, J. Hooker, G. Ferrell, J. Stevenson, D. Kanak.

THE HIGH SCHOOL WORLD

The *High School World* recorded for the readers of the Manchester Evening *Herald* the life of the school. It gave recognition to outstanding individuals and group activities.

Loyalty and devotion were characteristics of the staff members. These were assets which enabled them to put out a weekly publication, even during examination week and the first and last week of school.

The *World* assignments of stories, the editing and headlining have been handled by the able Editor-in-Chief, Artemis Pazianos, and the associate editors, Olga Krupen and Susan Trustenitzer.

There were thirty-two members on the editorial staff, one photographer, and nine typists.

The weekly meetings, held in the *High School World* Office, gave experience in journalistic practices. *World* members have interviewed a number of undergraduates, faculty members, and guests as a part of their training.

During the year the staff had social gatherings including a Halloween Party and the New Year's Party given for former graduates who belonged to the *World* Staff.

"And we quote."

SOCK AND BUSKIN

In September 1946, the club started its dramatic season under the leadership of Mrs. Helen Page Skinner, and sixteen charter members of the National Thespian Society, Troupe 644.

During the course of the year each Thespian directed a one-act play, or took charge of a meeting in some other way such as pantomime, stage directions, or voice. Among the plays presented were: "Joint Owners in Spain," "The Bride Wore Red Pajamas," "Rose of Plymouth Town," "Dickens Christmas Carol," "Alice's Blue Gown," and "How Vulgar."

In February, Sock and Buskin presented its annual three-act public performance "Our

Town," by Thornton Wilder. At this time the club gave three performances, on February 20, 21, and 22, instead of the usual two. This was the first time Sock and Buskin attempted a play consisting of no scenery, but once again, the members proved their versatility.

In April these Thespians presented "Will o' the Wisp" at the Connecticut Drama Festival at Danbury Teachers' College, Danbury, Connecticut, in which fourteen schools participated.

On April 27 and 28, Connecticut was host to the New England Secondary School Drama Festival, at Wesleyan University, Middletown, Connecticut.

"Tact is a knack of making a point without making an enemy."

Front Row: M. Forde, J. Henry, C. Estey, R. Vice, F. Agard, D. Haupt, M. Anderson.

ART CLUB

The Art Club has continued its practice of having a roll call which is answered by reading short articles on the subject of art clipped from newspapers or magazines.

At the meetings of the Art Club there were various media discussed and demonstrated such as: oils, frescos, water colors, and charcoal. Some craft work has also been done this year such as stencilled scarfs, handkerchiefs, towels, silver bracelets, etc.

Each member has done individual work with whatever media he desires.

The members have also enjoyed several sketching trips and social affairs during the year.

Some members entered work in the Scholastic Art Contest held in February and in the National Humane Society Poster Contest held in May.

A vocational guidance meeting was held in February at which time Professor Charles M. Robertson from Pratt Institute spoke.

"The secret of life is not to do what you like, but to like what you do."

ART SERVICE SQUAD

Back Row: B. J. Lewis, J. Henry, B. Massey, J. Massey, D. Haupt, F. Agard.

Front Row: P. Cervini, E. Anderson, C. Myette, C. Estey, Miss Henderson, V. Andrews, I. Thrall, J. Rogers, M. Smail.

ART SERVICE SQUAD

The Art Service Squad, organized two years ago as part of the Art Club, has now increased its membership and has become an organization by itself. However, membership has been limited this year to sixteen.

In order to belong to the Art Service Squad a student must take Art and maintain the average of A in his art work. Furthermore, he should be willing to spend an average of two hours per week of his own time on Squad assignments, he must be cooperative and de-

pendable, and he must attend all Squad meetings.

Work done by the Art Service Squad consists of filling requests for Art work, such as posters, illustrations, and signs from other departments in the school, making scenery for various occasions, hanging exhibitions, decorating for dances, lettering and painting for sports events, and occasionally filling requests from outside organizations such as the Red Cross.

PAINT AND POWDER

Paint and Powder, a Freshman-Sophomore dramatic club, provided experiences for students to work and play in cooperation with others, to accept responsibilities, to develop special talents, and to improve speech and poise.

The fifty-five members of this club, under the direction of Miss Isabel Worth and Miss Anna McGuire, held bi-weekly meetings in

the Drama Room where plays were presented and dramatic technique, make-up and stage craft were studied. This year, a student director has assisted the teacher adviser, in the production of every play.

The club held an initiation, presented a play, "Cleaned and Pressed" to Sock and Buskin, produced three one-act plays for the public, and enjoyed a picnic at the end of the season.

"Better late than never."

STUDENT COUNCIL

The Student Council is a group of students who are elected as representatives from their home rooms to work together to further the best interests of Manchester High School and to unify and support all extra-curricular activities. It is led by Miss Catherine E. Putnam.

This fall the Council was, for the first time, host at a convention of the Eastern Connecticut Federation of Student Councils. Fourteen schools attended.

With the war effort over the Council has been able to sponsor more social activities. Besides the traditional School Prom and

sports night, they held a New Year's Eve dance, a special Valentine dance, and many Friday night sport dances.

The usual campaigns were conducted successfully, including the Junior Red Cross, the March of Dimes, Christmas Seals, and Library Tag Day. The S.A.A. campaign resulted in the largest membership in the school's history.

Several times during the year the Council polled student opinion on various matters which directly concerned the student body. The Council stands ready at all times to work for the best interests of M.H.S.

"To avoid criticism: say nothing; do nothing; be nothing."

SENIOR GIRL RESERVES

Due to the fact that the club has been without a leader this past year, their activities have been somewhat curtailed. However, the purpose of the club, to help and assist others, at home and abroad, was still maintained.

In November, the girls contributed a huge amount of old clothing which eventually was sent to the unfortunate people of Poland.

They have had various speakers during the

course of the year, their subjects pertaining to vocations and group relations. Movies and various parties were also enjoyed throughout the year.

All Girl Reserve clubs are part of the Y.W.C.A. It is a worthwhile club for a girl to belong to, because it enables her to enjoy new friendships, and to work with other people.

JUNIOR GIRL RESERVES

"I will do my best to honor God, my country, and my community to help other girls and to be in all ways a loyal, true member of the Girl Reserves." Doing their best to live up to the Girl Reserve Pledge, the Junior Girl Reserve Club has scored another successful year.

Under the leadership of Miss Doris E. Cole and Miss Doris E. Kibbe the club has carried out many service projects, such as collecting and sending boxes of clothing to the destitute of Holland and Germany, and making red and white Valentine favors for the

food trays at the Manchester Memorial Hospital. The club also helped in the March of Dimes drive by addressing contribution cards.

The Junior Girl Reserves have had many social affairs gracing their calendar of events. Among these was a music festival held in the spring. Mr. G. Albert Pearson directed group singing and members of the club performed colorful folk dances from various countries. A fashion show was held in the spring in which members of the club modeled outfits suitable to every taste. The grandest social event was the annual Hi-Y Girl Reserve Dance held on March fourteenth.

The purpose of this boys' club is: "To Create, Maintain and Extend, throughout the school and community, high standards of Christian Fellowship."

Several of the newer members of the fac-

ulty were guest speakers of the club this year. Donald Pendleton was speaker of the House of Representatives in the Youth and Government set-up this year at the State Capitol. Several members of the club were sent to the various "Y" conventions as delegates. A trip was made through the Stafford State Police barracks and also a visit was planned to the State Prison.

LIBRARY CLUB

The Library Club, under the direction of Mrs. Gerardi, has had a very busy and interesting year.

Two study periods a week are devoted to the library by its thirty-five members. They were initiated by first passing a test, which demanded the knowledge of classification, filing and checking books in and out. Then their duties began and each member was assigned a definite section to care for, which included filing, checking, and keeping it in order.

Book week this year was celebrated by a Russian Exhibit, including original paintings by school children, enlarged photographs of libraries in Russia, a complete display of Russian books for children and adults, and an

exhibit loaned by the Connecticut Inter-American Council. A faculty tea was given after which the teachers inspected the exhibit. As is traditional during this week, Tag Day was held at which time the students contributed money toward the purchase of new books.

Caring for the books is not the only duty of the members—for dust will collect on the tables, chairs and shelves of the library, too.

For their entertainment, as well as knowledge, the club took a trip to Trinity College Library and also to the Connecticut State Library.

After a year of hard work a picnic was enjoyed by all the club members.

BIOLOGY CLUB

The Biology Club met bi-weekly under the direction of Mrs. Dorothy D'Amico to develop such projects as dissecting frogs, squirrels, rabbits, and muskrats. The complete anatomy of a frog was studied and the entire skeleton was mounted. Besides their indoor work, the members enjoyed hikes to further their nature studies.

This year for the first time, it was voted that members might go to the laboratory at any time to work on projects or experiments. At the end of the year, these biologists agreed that they had had a very successful season, and they closed their eventful year with a picnic.

The Home Economics Club was continued this year, with members from every class under the supervision of Miss Helen Whipple. Club officers were elected from the group of senior girls with juniors as assistants.

The meetings were held every Wednesday after school in the sewing room and any other day when the girls wished to work on their garments. Many of the girls made their winter and spring outfits during the year.

A very successful Spanish supper was given in November, with Miss Doris Kibbe as speaker. She told the club many interesting things about her trip to Mexico.

Near the conclusion of the school year the club prepared a typical American supper of hot dogs, potato chips and soda, and the members came dressed in appropriate clothes for outdoor American games.

CURRENT AFFAIRS CLUB

The Current Affairs Club, under the direction of Mr. Piper, held its weekly meetings Thursday mornings in the Drama Room. Some of the important things accomplished by the club were: making voters of the student body, carrying on a Congressional election in which the club members acted as election officials and took part in five radio debates. Four of these debates took place at other schools while the topic "Should the United States retain possession of the Islands

won in the war?" was debated in the assembly hall on January 22. Debates and reports on National and International happenings and problems formed the Thursday morning programs of the club. Juniors were taken into the club during the third and fourth terms to learn the procedures.

Club members visited the Capitol building and the Governor.

The club is looking forward to an equally successful and eventful coming year.

HAMMER AND TONGS

Due to transportation difficulties during the war the club's activities had been curtailed. This year interscholastic debates were resumed with a triangular debate held with Enfield and Hartford Public High School, a long standing triangle which has existed for many years.

The club has been under the supervision of the co-sponsors, Mr. Dougherty and Mr. Hartwell. The president opened the meetings with the roll call and any business mat-

ters. The meetings were then turned over to a member who was in charge of a weekly intramural debate.

The club's main theme was centered around an assembly debate which resolved; "that movies are harmful to youngsters in American life."

The officers for the year were: President, Lee Silverstein; Vice President and Treasurer, Jacqueline Carpenter; and Secretary, Carol Schubert.

At each meeting the roll call was answered

During the meetings the members sang French songs, had spelling bees, played French games, presented skits in French, and had amateur hours. Reports were also given concerning French life, their customs, and the latest news about France.

New innovations have been the purchasing of Spanish records by the club members and individual subscriptions to *El Eco*. Oral Spanish reports have also been taken from *Revista Rotaria* and *Selecciones del Reader's Digest*.

The fifth period club held several meetings in the dining room in order to enjoy their Spanish records, and to converse in everyday Spanish about food and items of school interest.

The sixth period club had several musical and dramatic programs in the Assembly Hall including a Christmas party and a complete graduation program planned and carried out in Spanish by all members of the club.

The fourth period club took care of the spring bulletin board displays and arranged a Pan American exhibit.

Other programs stressed the various holidays, included proclamation translations, Spanish reports of timely interest, original conversations, skits, cross word puzzles, and quiz programs in order to enliven everyday Spanish.

BAND

The 1946-47 Band made school history for being the best appearing and best playing Band the school has ever had. The newly uniformed group, under the direction of Mr. William Vaders, whose untiring effort has continued strengthening the Band, have played numerous engagements.

At home football games the Band made its first appearance, following was parents' night. On November 11, the organization marched in the Armistice Day Parade. An all Band assembly was given on November 27th to show the student body the newly acquired uniforms. Sweaters and letters, first

again at M.H.S., were given to members to be worn at band functions. Activities following were the Turkey Day Race, the home basketball games, a concert given at Ellsworth High School, and concerts given at grade schools in town to encourage the study of instrumental music. The school was represented in the Memorial Day parade by the Band. The Band attended the C.C.I.L. music meet held in Bristol and also the Connecticut State Music Festival held in Norwalk.

The Band, now truly a vital part of the school's activities, closed its eventful season with the annual outdoor festival.

The orchestra gave its members a chance to work out the orchestrations to balance and harmonize, thus giving a pleasing effect to one's ear. This work contributed to the appearance of the orchestra.

Activities in which the orchestra participated included many of the assemblies, under the direction of the student director, Richard Schubert. The choirs and orchestra combined to give the student body a Christmas Assembly. The final performance by the orchestra occurred at graduation.

MUSIC

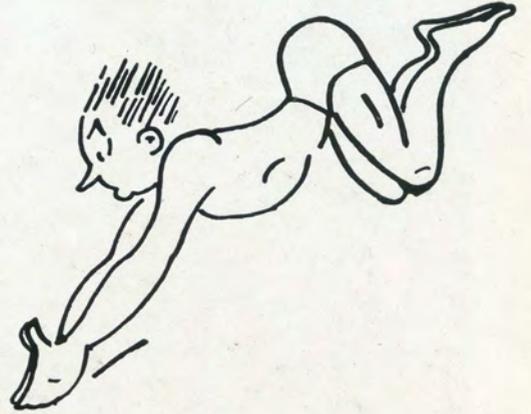

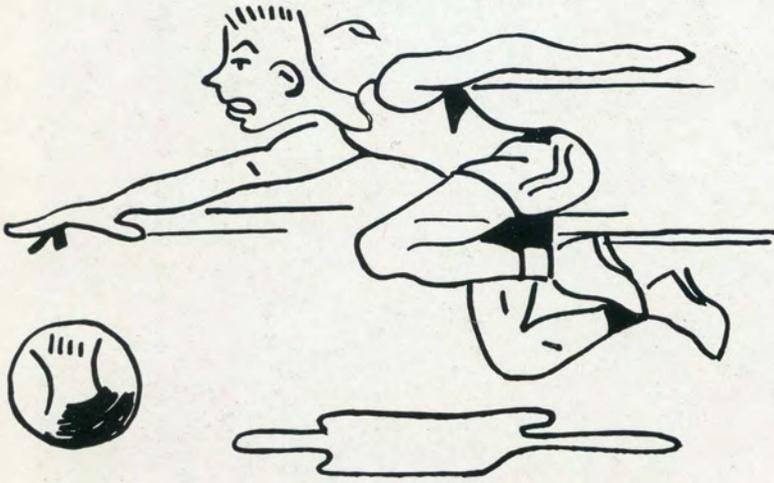

The Choirs of Manchester High School experienced the most active season in the history of the school. The A Cappella Choir, for the second consecutive year, rendered Handel's Oratorio, "The Messiah" to a capacity audience at the South Methodist Church, sang for Parents' Night at the High School, presented programs on May first and second at their annual concert, sang at the annual Outdoor Festival, and at the graduation exercises.

The Round Table Singers, a group of twenty mixed voices chosen from the A Cap-

pella Choir, sang a series of twenty concerts during the month of December for such various organizations as the Manchester Memorial Hospital and at P.T.A., Kiwanis, local stores and homes.

The Boys' and Girls' Choirs, together with the A Cappella Choir, went to Winsted on April eleventh and participated in the State Choral Festival. In addition, the Juniors and Seniors of all three choirs participated in the C.C.I.L. Music Festival in Bristol on May eighth. The Boys' and Girls' Choirs also took part in the annual Outdoor Festival.

FOOTBALL

Coach—MR. KELLEY

Captain—JAMES COUGHLIN *Manager*—DURWOOD MILLER

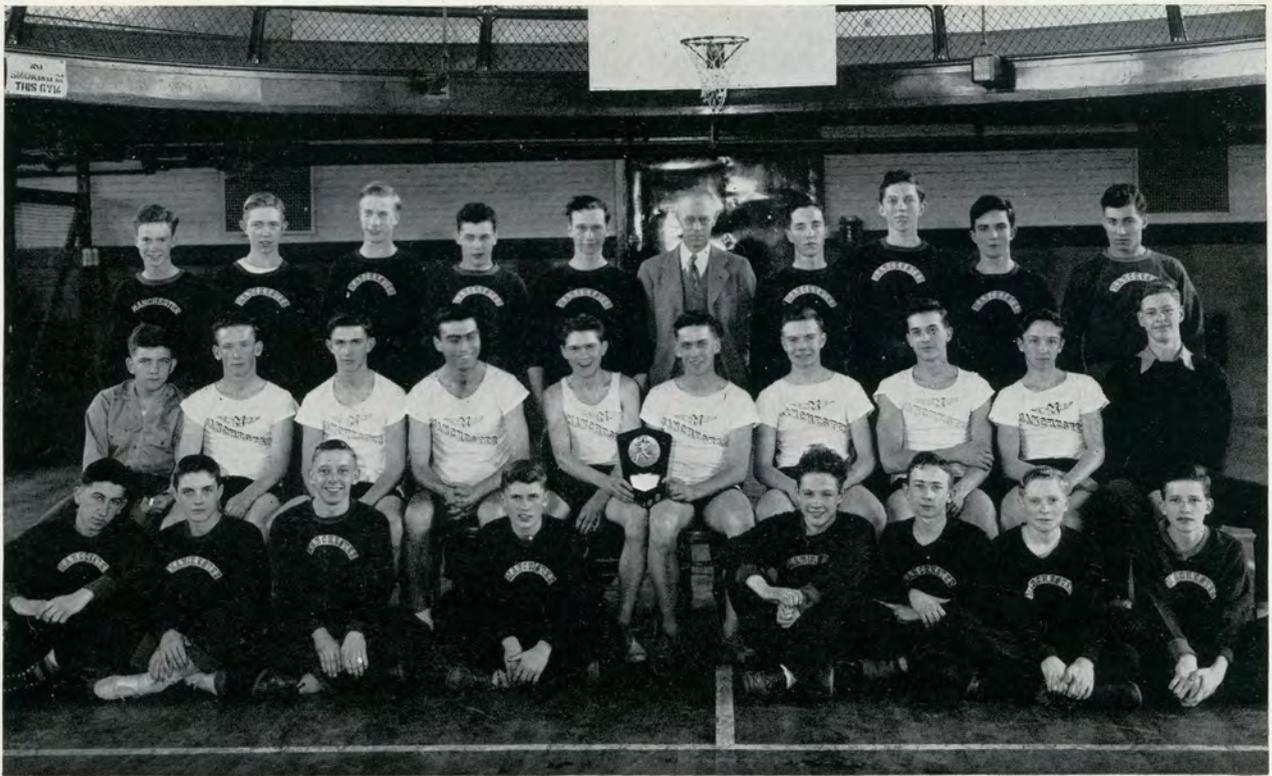

With only one letterman returning and a host of green material, Mr. Kelley faced a very difficult problem in molding together a winning football team. The team improved steadily as is shown by their last game, a 33-0 slaughter of Willimantic.

To start their poor season Manchester was defeated 13-0 at Leavenworth in a night game. Then came a 33-0 defeat at Bristol which was followed by a 22-6 defeat at the hands of West Hartford. In a hard fought game at Manchester, East Hartford was defeated 6-0, but at Meriden our home forces were crushed 43-0.

Middletown then defeated the locals 28-0. In this 1946 finale Manchester's gridiron forces trampled out a 33-0 victory of Willimantic. It was not until this last game that Manchester was able to hit the stride of which they were capable. The team was riddled throughout the season by injuries which affected the team play of the varsity squad.

The 1947 varsity football combination should be a vastly improved unit with four lettermen returning and a season's experience under their belts. Co-captains elect for next year are Tom Robinson and George Kelley.

"We now refer to theorem humpty-dumpty."

CROSS COUNTRY

Coach—MR. CHARLES WIGREN *Captain*—ROBERT MCKINNEY *Manager*—ROGER WILLIAMS

Using its five returning lettermen the 1946 Cross Country team followed in the footsteps of Coach Charles "Pete" Wigren's other great teams. This year's team went through a heavy schedule, bowling over Norwich 19-36; New Britain 18-37; Weaver 19-36; Bristol 15-40; and Middletown 15-40; and losing a heartbreaker to Hartford Public 27-28.

The Red and White harriers then promptly walked off with the State Championship for the fourth year in succession. Manchester took third place in the New England Championship Meet being beaten by La Salle

Academy and edged by East Providence, a team whom Manchester beat later in the season.

Manchester High rewarded the runners' efforts by sending them to compete in the Eastern National Championship Meet where they took a very respectable 8th place in a field of thirty-four teams. Next year's captain-elect is Bob "Farmer" Bray, who shattered the Manchester course record in a truly brilliant performance. Nineteen hundred and forty-seven will find four harriers lettermen returning to another very promising season.

BASEBALL

Coach—MR. THOMAS KELLEY

With but a few veteran performers returning the Manchester High baseball team was fortunate in being able to win four out of their fifteen games.

In C.C.I.L. competition, Manchester was able to win but one contest and that from Meriden by a 9-7 count.

Other Manchester victims were Cheney

Tech, 16-5; East Hartford, 6-3; and Rockville, 1-2. At times the local outfit played championship brand of ball but then they lapsed back to a very loose defense which ended in eleven defeats.

Jim McCurry, the 1947 captain-elect with seven returning lettermen and the help of a few new players should have a very good season to look forward to.

SOCCER

The Manchester soccer team opened the 1946 season a very green and unready team and as a result weren't able to turn in a win in their first five games. However, after about a month of steady practice following their first encounter, the Red and White booters downed the favored Meriden team at Meriden 3-2. Then followed a thrilling scoreless battle with West Hartford, the C.C.I.L. champions. A strong Bristol team was also beaten twice by the locals, 4-1, and

2-0. The 1946 season was the most successful in M.H.S. history. After a bad start, mostly due to lack of practice, the local squad went through the last four games without a taste of defeat.

With a host of veteran material returning, Captain-elect Robert Vice, should have a successful season to look forward to. C.C.I.L. runners-up in this year's league race, the 1946 soccer team, led by Alfred Gustafson, are able to look back upon a job well done.

GOLF

The 1946 Manchester High golf team completed a good season with a record of seven wins and seven setbacks including four wins without a loss in C.C.I.L. competition.

The golfers suffered four straight setbacks, two by Norwich and two at the hands of Bulkeley before they were able to record any wins. The team suddenly came to life and scored six consecutive victories, two each

over Hartford, Bristol, and West Hartford. Two of these victories were shutouts. After Newington took the local's measure twice, Mr. Wright's boys split a pair of matches with Weaver.

This brought the season to a close for Manchester High Golf C.C.I.L. champions. With several lettermen returning golf prospects for 1947 are bright.

SWIMMING

The 1947 swimming team for the first time, under the coaching of Mr. L. Bedrick, enjoyed a good season. The Manchester High School tankmen went through a schedule of nine meets compiling a record of five wins and four losses.

In the season's first meet West Haven was downed by the convincing score of 48-27. In their next two starts the locals were defeated 42-33 at Hamden and 54-21 at the hands of a power packed Bristol team. The Manchester natators then easily defeated Bulkeley and East Haven by respective scores of 44-31 and 43-32. The state champion Hartford Public High School swimmers were next to take the measure of Manchester to the tune of 54-21. In a C.C.I.L. clash Middletown was beaten 48-27 by the locals. In

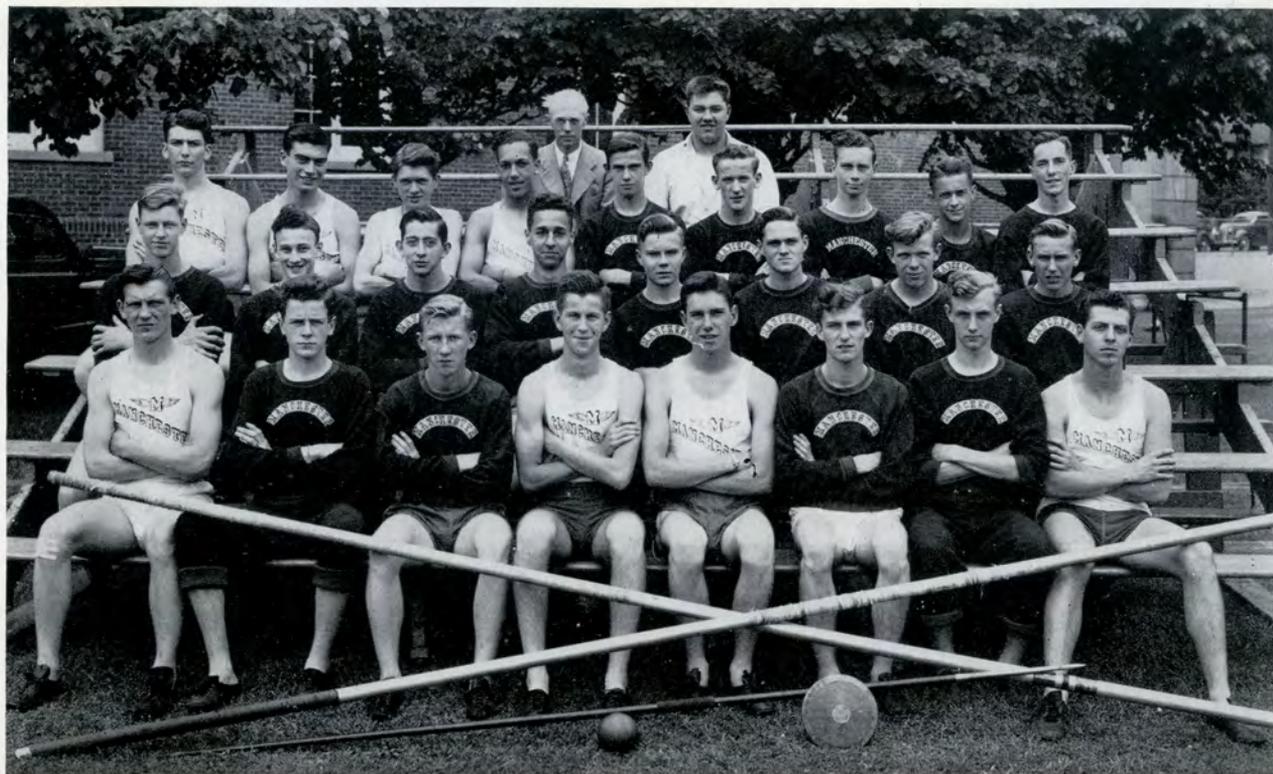

closing the season a 56-19 humbling by Crosley, preceded a 51-24 win over Meriden.

Fifty per cent of the scoring punch will be lost in graduating free stylers, who were led by William Anderson's 63 points. Much interchanging and converting will be necessary to round out next year's team to which there are only seven returning lettermen, including but one free styler.

Stuart Schreiber, this year's retiring captain, will be replaced next year by John Campbell.

In placing fifth out of fifteen schools in the C.I.A.C. the two outstanding local performances were going undefeated in the 160-yard free style relay and winning the 200 free style relay in the C.C.I.L. meet.

"It takes less time to do a thing right than it does to explain why you did it wrong."

The 1946 track team compiled a good record and in finishing a good season they copped the C.C.I.L. championship. Inability to score heavily in the weight events was a decided handicap to the Red and White squad.

The tracksters started the season by taking a third place in the Indoor State Meet, McKinney breaking the State 600-yard record. Indoor competition was concluded with a win over New Britain, a loss to Hartford and second place in the Hartford Invitation Meet.

In their first outdoor competition, the

Connecticut Relays, Manchester took the two-mile relay. In a triangular meet with Hartford and Bristol the locals took second. In a close triangular meet Weaver and New Britain edged the locals. The Manchester runners then scored C.C.I.L. victories over West Hartford and Middletown. Caught on an off day, Manchester was able to garner only seven points for eighth place in the State meet. The next week, however, they won the C.C.I.L. championship by a good margin.

BASKETBALL

Coach—MR. WILFRED CLARKE

Manager—THOMAS BAILEY

With not one returning letterman and a great lack of experience, the Manchester High Basketball team finished the 1946-47 season without winning a game. There was great team spirit but the team couldn't get together to win a game. However, along the 15-game schedule, there were some exciting games. Manchester dropped two close games with

Weaver 39-30 and 32-25. The best game of the year was at the local armory when Manchester was edged out in a thrilling game with Meriden, 28-27.

Prospects look bright for next year's team. Several lettermen and many experienced players will be back to put Manchester right in the midst of the race for C.C.I.L. honors.

TENNIS

Coach—MR. REED

Captain—DOUGLAS STRAW

Manager—ROBERT VICE

The 1946 tennis team won two decisions, one over Bristol and the other over Middletown, while losing two matches each to Hartford and West Hartford. Bristol and Middletown also took the local's measure once.

The Manchester entry in the state championship matches gained two points.

Mr. Emil Sollanek was selected to coach the 1947 tennis team.

CHEERLEADING

"Hold that line"—"Shoot it in the basket," "Strawberry shortcake," these are only a few of the twenty-two cheers, which our cheerleaders have at their disposal.

This year only three cheers have been added to the group, but they were met with high approval by the student body.

The cheerleaders showed great spirit and enthusiasm under their energetic leader, "Liz" Kirkpatrick.

The group did a good job in getting out at the right time with the right cheers. Jackie Dutcher, "Liz" Kirkpatrick, Mabel Person, and Dorothy Spalding especially helped to make the team click with their leadership and loyalty.

Two practices a week kept the cheerleaders busy, as they completed one of their most successful years.

"So endeth these sayings."

GIRLS LEADERS' CLUB

The Girls Leaders' Club participated in a most enjoyable and successful year, under the direction of Miss Doris E. Cole, Girls' Physical Education teacher.

The purpose of the club is to train girls to assist in gym classes and with the after school sports program.

To be eligible for membership a girl must have a "B" average in gym, must take the required tests on rules of girls sports, and maintain at least a "C" average in her subjects.

At the beginning of the year each member is placed on one of five committees of the club which are organized to carry on all activities during the year.

An exciting initiation party was held in the fall—followed by a co-recreation night to

which high school boys were invited. On Halloween night, the ever willing Girls Leaders volunteered to supervise games and activities at the town Halloween parties held at the different schools and recreational centers. A program of individual sports was enjoyed by both the girls and their guests. During the year the girls attended four playdays at other schools and also were hostesses for two playdays held at the Rec.

In March an Alumni party was held to which all former members were invited. A playday for eighth grade grammar school girls was conducted in April and another co-recreation night was held featuring softball and volleyball in the spring.

An annual outing similar to that held last year at Columbia Lake was planned for June 7th as the final activity of the year.

AQUA-ETTES

For the first time in the history of the M.H.S., mermaid members worked on a water ballet. Swimming to music being something new, met with much enthusiasm.

The program planned for the year included racing, turns, dives, stunt dives, form swimming, water stunts, rhythmic and formation swimming.

During the year several splash parties were held, which proved to be very popular. The

girls started off their year with an initiation party for the new members, followed by a Halloween party in October and a Christmas party held in December.

Club members who qualified received awards at the end of the year. Awards are based on attendance, attitude, coöperation, and swimming 176 lengths.

The year's activities were brought to a close with a spring swimming party held at a nearby lake.

GIRLS' SPORTS

The girls participating in after school sports had a very full season this year under the direction of Miss Doris E. Cole and Miss Barbara Ditmars.

This year the fall season offered tennis, soccer, and hockey for all classes in addition to archery for seniors and golf for the junior and senior girls. In the latter activity two groups of sixteen girls each received instruction every week from Mr. Ben Roman at the Country Club. This new activity met with high approval.

Basketball again proved popular, with the freshman and sophomore teams competing in an elimination tournament, and the junior and senior teams playing off a Round-Robin tournament.

The junior and senior bowling tournament took place in the early winter while

the freshman and sophomore tournament was held with over a hundred girls participating after the February vacation. Girls interested in badminton were again offered an opportunity to participate in this sport. Practices were held for several weeks, followed by a beginners and advanced players tournament.

In the spring inter-class tournaments were held in both baseball and volleyball, and as usual proved to be very popular with the girls. Archery and golf were again enjoyed by the Juniors and Seniors.

A certain number of points are given for participating in each respective sport. The following awards were given at the end of the year according to the total number of points a girl had obtained. Class numerals, 200 points; small M, 450 points; large M, 700 points; and a gold sports medal to those having earned 1,000 points.
