THE SENIOR CLASS

MANCHESTER HIGH SCHOOL

MANCHESTER, CONNECTICUT

Volume XXXIV

FOREWORD

As we face a world crowded with fears and famine, hatred and heartache may we never forget the lessons learned here. And when the world has at last obtained a firm and lasting peace, we ask that we may again look back on what truly were "The Best Years of Our Lives."

DEDICATION

Miss Avis Kellogg

We, the class of '49, gratefully dedicate our SOMANHIS to Miss Avis Kellogg, who has given her time and help so generously to the students of Manchester High School. It is through the training she has given us, and the high standards she has set for our achievement that have prepared us for our life work. Because of her unfailing friendliness and never ceasing effort, we leave this school as well-trained and useful citizens.

SENIORS SPEAK

Favorites this year at M. H. S.
Are ones which you can easily guess.
For plenty of laughs and lots of fun
We take **L'il Abner**—he's the one.
Come one, come all and sing the song—
Buttons and Bows! You can't go wrong.
It heads the seniors' list this year;
This is the one we like to hear.
When dining and dancing the band you'll approve
Is **Vaughn Monroe**—he's in the groove.
And for the soap we think is right
We want **Ivory**—it floats! It's white!
Of all the flowers in this race
It's the fair red **rose** that takes first place.
For a singer with charm and plenty of wit,
We choose **Bing Crosby**; he's always a hit.
A star that brightly shines today
Is **Ingrid Bergman**; she steals the play.
On **Gregory Peck** we're sure you'll agree;
For a handsome gallant actor is he.
For drama, mystery, and cheer
The program we like the best to hear,
And listen to when our work is done—
Lux Radio Theater is the one.
The subject **English** is on the beam;
That's why it rated our high esteem.
For notes so sweet the man we greet
Is **Irving Berlin**; he can't be beat.
Neither blonde nor auburn hair has gained;
It's still **brunette** that our hearts enchained.
And for the movie that we acclaim,
The Best Years of Our Lives gains fame.
Life is the magazine to buy;
Ask the seniors—they'll tell you why!
We'll pack the stands and raise the score
Before our favorite game is o'er.
Basketball has had its Day—
That's why the seniors voted this way.

.
When reading this rhyme you may remember
The '49 class—when you were a member.
And as you recall the days gone by,
A tear may glisten in your eye.

MANCHESTER HIGH SCHOOL PUBLICATIONS *Laurence Leonard.*

Under the direction of Mr. Laurence Leonard, the new faculty adviser, Manchester High School Publications Staff again showed their ability to obtain subscriptions and advertisements for publications. The staff was divided into two groups, Somanhis homeroom representatives and Advertising Staff. The Advertising Staff had the difficult and time-consuming task of soliciting advertisements.

The Somanhis homeroom representatives, chosen by their homeroom teacher, were responsible for securing Somanhis subscriptions, distributing the yearbook, and handling all finances involved.

HIGH SCHOOL WORLD

Appearing in the "Manchester Evening Herald", under the direction of Miss Helen Estes, faculty adviser, and Jennifer Rowley, Editor-in-Chief, the "High School World" published its weekly account of school activities.

Recognition was given to students who excelled scholastically, athletically, or in extra-curricular activities. All assemblies and other school news of interest were covered by the "World" reporters.

Meetings were held every Friday morning, during which previous publications were discussed, and assignments were made. Group interviews were carried on.

Delegates were sent, as usual, in October to the Connecticut Scholastic Press Conference, held this year at Hartford.

QUILL CLUB

The Quill staff has promoted interest in creative writing. The magazine, edited by its members, gives an opportunity to students throughout the school to read some of the best work produced in the literary field by students.

The staff, which consisted of about twenty members, was under the direction of Miss Marion Casey. Manuscripts are read and discussed and general work was done on the magazine during the weekly meetings.

The staff sponsored an annual competition for the best poetry and prose written by Manchester High School students, with separate prizes for upper and lower classmen.

ART CLUB

The Art Club began its eleventh year under the leadership of Miss Hope Henderson. The year opened with an enjoyable initiation party at Center Springs Lodge.

The Art Club had many new features this year, among which was an Art Colony Day. Art Club members from several neighboring schools met with Manchester's Art Club to draw and to exchange notes.

The club members visited the Hartford Art School, the Randall School, and the Art School of Fashion in Hartford.

Besides the annual visit to Avery Memorial Museum, the club attended a special art exhibit at New Britain State Teachers College. Professor Charles Robertson also visited the club in February when he presented an interesting vocational guidance talk.

Studio meetings were devoted to work in various media, including oils, wetar colors, charcoal, frescols, and pencil.

ART SERVICE SQUAD

The Art Service Squad, or the Above 90 Club, had a successful and prosperous year under the leadership of Miss Hope Henderson.

This worthwhile club deserves much praise for the tasks it has accomplished this year. The squad can be credited for the appealing decorations at the High School Prom, for the well done posters around M. H. S., and many other artistic jobs.

SENIOR Y-TEENS

Senior Y-Teens, under the direction of Miss Doris Kibbe and Mrs. Richard Carpenter, had a very successful year. Y-Teens, which is a high school branch of the Y. W. C. A., seeks to provide a club that demands no specific skill except the desire to become skilled in friendliness.

Y-Teens provides an opportunity for service to the community through its collection for the cancer fund and for service to foreign areas through CARE packages.

Y-Teens' five committees are Service, Personal Interest, Social, Membership, and Program. The Social Committee opened the year with a camp fire at Center Springs Lodge. They held picnics, square dancing, and a spring formal, in addition to the more serious projects.

The girls made novelty snow-men at Christmas time, and candy, for the annual Y. W. C. A. sale, was also made. Another Christmas project was caroling for shut-ins.

Money for the club was earned by selling sports pins and buttons. Programs of special interest at meetings were provided by means of panels, forums, movies, and speakers.

JUNIOR Y-TEENS

Variety has been the keynote of Junior Y-Teen activities this year. A group of approximately ninety girls, under the direction of Julia Lynch and Martha White, have had many interesting experiences and speakers, fun with holiday parties and dances, and helped with community and state projects.

Some of the highlights on their calendar of events were: a theatre party at Bushnell Memorial Hall; a Hallowe'en Carnival for Junior and Senior Y-Teens; a banquet for the Manchester High School Varsity "M" Club; a field trip to Mansfield Training School; and a demonstration by a noted hair stylist. Featured under special attractions was the annual Hi-Y-Teen formal.

SENIOR HI-Y

The oldest Hi-Y in Hartford County, Manchester High School's Senior Hi-Y, celebrated its anniversary this year with a banquet.

Senior Hi-Y, under the direction of Mr. Potterton, followed a program filled with many varied activities, such as the induction of the Suffield Hi-Y, and the combined Y formal dance, held in February.

The club had speakers and movies, and participated in the Hartford County Hi-Y basketball tournament.

This club, for junior and senior boys, had thirty members. Meetings were held every other Tuesday night.

JUNIOR HI-Y

The purpose of Junior Hi-Y, organized this year for boys in the freshmen and sophomore classes, under the direction of Mr. George Emmerling, is to develop high standards of Christian character and good fellowship through promotion of worthwhile activities in the school and the community.

Although this has been its first year, the club has been very active. They have had many speakers, among them Mr. Edson Bailey and Mr. Elmer Thiennees, executive-secretary of Hartford County Y. M. C. A. The boys took part in the Hi-Y basketball tournament for all Hi-Y's in Hartford County. The club visited Wethersfield Prison on a field trip.

FRENCH CLUBS

The French classes organized as clubs have met twice a month. Club procedure is carried on entirely in French.

The programs planned by the committees, according to suggestions from members, have included talks on French life and on France in America, skits based on class readings, games, movies of France, and conversational practice.

The club meetings increased the students' knowledge of France and of its people as well as their ability to use the spoken language.

SPANISH CLUBS

The second and third year Spanish Clubs have had several combined meetings with the French Clubs in order to use the new visual aid equipment. This also fostered among the students a spirit of tolerance for better relations among nations. Miss Low showed her own movies, taken during her 1948 summer tour of France and England, and Miss Todd showed colored slides of Mexico and South America. During the year the language clubs planned three French and three Spanish speaking movies.

Holiday programs, improvised radio programs, Spanish records, songs, and games have helped to vitalize Spanish for the students.

Other club programs have supplemented the regular class work through oral reports, translations of proclamations, Spanish articles from *Revista Rotaria* and *Selecciones del Reader's Digest*, original dialogues and skits containing every day Spanish conversation and events. These activities enlivened vocabulary, and broadened the students' knowledge of Spanish life and civilization.

SOCK AND BUSKIN

The forecast of a somewhat wide and varied schedule found Sock and Buskin once again ready to embark upon the year 1949, with a very enthusiastic group of members under the supervision of Mrs. Helen Page Skinner, the club's adviser. The usual activities of the club were the presentation of a number of one-act plays directed by the National Thespian Society members from Sock and Buskin. Among some of the plays presented were "The French Maid and the Phonograph", "The Wonder Hat", "Sariel", and "Where's That Report Card?"

In November the club presented an original musical comedy, "The Forty-Niners", before an assembly of the school, dedicated to the senior class.

A large group of members from the club traveled to New York to witness the presentation of the musical comedy, "Where's Charley?", starring Ray Bolger. After the performance they dined at Sardis', a well-known theatrical restaurant, where they met Ray Bolger. They also interviewed him backstage, receiving many important points on drama. Everyone who attended agreed that it was a worthwhile and memorable occasion.

A romantic comedy, entitled "Pride and Prejudice", was very successfully presented before the public in February as their annual three-act play. Sock and Buskin also presented a one-act play, "Heat Lightning", at the Connecticut Drama Festival held at New Britain Teachers College in April.

The formal initiative dance very successfully concluded another year for Sock and Buskin.

PAINT AND POWDER

Paint and Powder, the freshman-sophomore dramatic club, enjoyed a very successful and interesting year. Under the supervision of the club's advisers, Miss Anna McGuire and Miss Isabel Worth, the old and newly initiated members directed and presented one-act plays before the club at their meetings, held twice a month. A few of the humorous plays presented were "Paul Splits the Atom", "Buddy's Exciting Night", and "The Boy On the Meadow". The members also held panel discussions and heard speakers discuss important topics on drama technique.

A few members of the club took the trip to New York, along with the Sock and Buskin members, to witness the presentation of "Where's Charley?" starring Ray Bolger. This experience was very much enjoyed by all who attended.

Besides presenting a one-act play, "Accent on Youth", before Sock and Buskin, the junior-senior dramatic club, the annual public performance of three one-act plays entitled "Bill of Fare", "The Heritage of Wimpole Street", and "The Ghost in the Green Gown" were successfully presented in April.

The annual picnic at Columbia Lake, an enjoyable occasion, concluded the year's activities.

BAND

A must in every good high school is a band. Manchester is very fortunate in having one of the best high school bands in the state. Composed of some forty-eight student members, the band is led by Mr. William Vaders. It has taken a large part in school activities and has helped to make Manchester High School one of the most musical schools in Connecticut.

Some of the activities of the band this year were playing at all the school football and basketball games, and giving several concerts for both public and student entertainment. This year, for the first time, the band played at out-of-town games.

Among the concerts given were those at Manchester Green, and an instrumental concert that was given for elementary grade schools in order to raise keener interest of those students in instrumental music. At Christmas, the band formed a brass quartet, which accompanied the annual Christmas caroling in the school halls. A concert was later given at a Rockville High School assembly. The Band took part in both the Memorial Day and Armistice Day parades. The two highlights of the year which topped off a well-rounded program of entertainment were the participation in the Annual Spring Concert and in the State Band Festival at the University of Connecticut.

ORCHESTRA

G. Albert Pearson directed the orchestra and under his supervision it enjoyed a very successful year.

The orchestra played at all the school assemblies, Parents' Night in November, and also participated in the Christmas Concert in December.

Representatives from the orchestra took part in the All State Orchestra in November.

They presented a concert for Barnard and Nathan Hale Schools and participated in other outside concerts. The orchestra attended the Orchestra Festival at the University of Connecticut and took part in the Spring Concert.

The orchestra wound up the year by playing at the graduation exercises in June.

BOYS' CHOIR ROUND TABLE

The twenty-four members of the Round Table Singers experienced an active season under the direction of Mr. G. Albert Pearson. Taking part in the Christmas Assembly presented in the high school for parents and students, and performing before such organizations as the Kiwanis Club, Parent Teachers' Association, Women's Club, and the Childhood Education Association, they participated in numerous other Christmas concerts, their outstanding activity of the year.

CHOIRS

Singing activities of all sorts made up the schedules of the Boys' and Girls' Choirs.

The choirs, together with the A Cappella Choir, presented their annual Christmas Concert in the High School Auditorium on December 14. In March the Spring Concert was given. On May 11 the two choirs traveled to Meriden to participate in the annual C. C. I. L. Music Festival. The season was completed in June, with the Outdoor Festival held at Educational Square.

STUDENT COUNCIL

The Student Council, under the supervision of Miss Catherine Putnam, is made up of student representatives chosen from each homeroom, who meet every other week to discuss student activities, school policies, and student problems.

The Student Council organizes and administers the Student Activity Association. It sponsors drives such as the Junior Red Cross, Christmas Seals, Library Tag Day, and any other student endeavors.

The annual High School Prom was one of the highlights of the year, under the sponsorship of the Student Council. The students have also enjoyed many sport dances under the supervision of the Social Committee of the Council throughout the year.

With a democratic student government as its aim, the Manchester High School Student Council has again this year served the student body efficiently and successfully.

CURRENT AFFAIRS CLUB

Mr. Lewis Piper again led the Current Affairs Club in a busy and eventful year. Beginning the year with spirit and zest, the Current Affairs members conducted the high school election.

Previous to the election, every member in the club went to freshmen and sophomore home rooms, explaining and emphasizing the necessity of voting.

Weekly debates and discussions were held, presided over by the president. Research work on topics was done voluntarily by different students each week. Members were invited to many outside public functions and were fortunate in hearing many excellent speakers give talks on up-to-date topics.

The club again joined the Foreign Policy Association and participated in two Parade of Youth Forums. Careful and intensive study and discussion was given to many important questions during the year. Among them were the race problem and the problem of the United Nations vs. World Federal Government.

To complete a well-rounded year of fun and work, the club visited the State Legislature in April.

DEBATING SOCIETY

A club which has helped many students to become better acquainted, and to be more skilled in the art of public speaking, is the Debating Society.

Composed of thirty members, the club has made much progress this year. This may well be due to the efforts of Mr. Hartwell and Mr. Dougherty, faculty advisers, as well as all the club members.

Some of the club's many activities this year were: a debate in the school assembly on the possibilities of the presidential candidates; a debate at the Hartford Clinic on World Federation; and a debate which was held after Christmas at Northampton, Massachusetts, with Hadley High School and a few Connecticut High Schools.

The club met every Tuesday morning in order to discuss other debates, to practice debating, and to learn new techniques in debating.

BIOLOGY CLUB

Twenty-five budding biologists made this school year a successful one for Biology Club, directed by Mrs. Dorothy D'Amico.

The meetings, during which the members dissect animals, are held twice a month.

The members visited the State Board of Health and the State Fisheries. Several speakers addressed the club, giving interesting information pertaining to the club's activities.

THE SCIENCE CLUB

The Science Club, or Molecules, meets weekly under the supervision of Mr. Anthony Alibrio. Chosen by the former members of the club, eighteen chemistry and physics students who have an interest in science, beyond the classroom, make up the group.

As one of its projects for the year, the club has been studying weather maps and has been making daily weather predictions which they have posted in the Main Building. In connection with this, the Science Club made an interesting field trip to the U. S. Weather Bureau in

Hartford. They have also taken trips to the L. T. Wood Ice Plant, Cheney mills, and the Wesleyan University laboratory.

The girls this year endeavored to make a lavender-scented perfume. Other projects have included making soap and doing individual experiments.

The members of the Science Club have found chemistry and physics, not only interesting subjects, but practical and valuable assets, as well.

THE RIFLE CLUB

The Manchester High School Rifle Club was first organized in 1937, and continued off and on through the war years until it was reorganized in 1947, under the leadership of Mr. Anthony Alibrio.

This year, under the direction of Mr. Gilbert B. Hunt, the team had a bright season. A full schedule was in order, with sixteen shoulder-to-shoulder matches and four mail matches.

It is interesting to note that Marion Phaneuf is the only girl on the team and that she has done very well in almost every event.

Reynolds Deacon, the present captain, keeps all ten members of the club in enough practice so as to keep M. H. S. up at the top with other rifle clubs in Connecticut.

CHESS CLUB

A newcomer on the Manchester High School extra-curricular scene this year is the Chess Club, organized to teach beginners how to play chess and to develop the skill of those who already know how to play.

Games are played during the meetings, under the direction of Faculty Adviser Robert Fenn.

Most of the twenty members of the club were veteran chess players when they joined, and the rest quickly learned to play.

Organizing a team and playing with other schools was Chess Club's goal for the year.

LIBRARY CLUB

Working in the school library and attending social functions, the Library Pages have completed a busy year.

In Manchester High School's most successful Tag Day, the Pages collected \$90.00, to be used to buy new books for the library.

With the Art Club, the Pages held their annual initiation party at Center Springs.

Junior and senior members attended a library conference in Centinel Hill Hall at G. Fox and Company and visited the State Capitol and the State Library.

Spending at least two periods a week in the library, the Pages learn to file cards, shelve books, make posters, arrange bulletin displays, take care of incoming and outgoing books, and help students to find research material.

VARSIITY "M" CLUB

A new and active club has joined the ranks of other M. H. S. clubs. This is the Varsity "M", and any boy is eligible for membership who has earned his "M" in athletics.

Under the direction of Wilfred J. Clarke, the club has gained a membership of forty-five boys. Bi-monthly meetings are held, with movies and discussions on all kinds of athletic competition, social, and educational topics.

The purpose of this organization is to bring together all varsity letter winners for the promotion of sportsmanship, good will, and fellowship in all endeavors.

FOOTBALL

If records judged a team, the Manchester High gridgers would be dealt injustice. Despite its 2-4-2 record, Manchester, in 1948, produced one of the best teams to come out of the local Alma Mater. The team was well balanced, and had depth in the line. The only thing the club lacked, was depth in the backfield.

The local's only victims were Meriden and Middletown who were beaten by scores of 20-0 and 25-6, respectively. The four losses were at the hands of Leavenworth, 6-9; East Hartford, 25-13; West Hartford, 20-13; and Windham, 39-15. The two ties resulted with Hamden and Bristol. The old superstition of the number 13 being unlucky appeared to have come true as far as the locals were concerned. The locals

lost to East Hartford 25-13 on October 15, and never won a game after this. The next two games the locals wound up the short end of the scores, with the score of 13. Had it not been for B. Moske's safety in the Windham game, the locals would still have been jinxed with the number 13.

The backfield of R. Flaherty, B. Moske, R. Buckmister and H. Burbank carried the locals through the entire season, with the help of reserve back Frank Vozzolo. Triple threat Ronald Buckmister bore the brunt of the locals' offense. Buckmister carried the ball five out of every eight chances. The line backing up of B. Moske was superb, while G. Agostinelli's line-play was outstanding. Pilot "Red" Flaherty's quarterbacking pulled the locals out of many jams.

The Red and White's opponents outscored the locals by 10 points; Manchester made 118 points to the opposition's 128.

Lettermen lost to graduation include: R. Buckmister, H. Burbank, R. Flaherty, B. Moske, G. Agostinelli, A. Grant, M. Warren, A. Rogers, T. Shea, E. Willard, E. Doggart, R. Krause, and retiring captain, "Tony" Turkington, who relinquishes the reins to Leon Botterton.

SOCCER

Playing against teams out of their class during the first part of the season, the Manchester High School soccer team found themselves during mid-season to finish, going away, with a record of 4-4-1, and second in the C. C. I. L. standings.

Hall won the first game, 3-2. This loss coupled with a 1-1 tie with Bristol, the following week, proved to be the downfall of the locals. Wethersfield then took the measure of the Red and White, 2-1. The next scheduled game was with Meriden. Because of rain the game was postponed to October 30. The locals won this game 4-0, with Captain "Tommy" Stevenson scoring all the goals. Before the Meriden win, which was the first of the season, Ellsworth and Wethersfield defeated the locals 4-0 and 3-2 respectively.

West Hartford and Bristol were the next victims of the locals. They were beaten to the tune of 1-0 and 3-1 respectively. The season ended with a 4-2 romp over Meriden.

A total of 18 points were scored by the Red and White as compared to 16 for the opposition. Captain "Tommy" Stevenson led all scorers, in addition to being top C. C. I. L. scorer with 8 goals. Donald Hubbard, Charles Mirucki, and Morris Silverstein were next with 3 apiece. Harold Symington scored the other goal.

The forward line, composed of H. Symington, T. Stevenson, C. Mirucki, D. Hubbard, and M. Silverstein, scored all the goals, and will be lost by graduation. Other graduating lettermen include M. Danahy, G. Garbarini, N. McKee, D. Behrend, R. Robertson, and J. Trudeau. The remaining lettermen are J. Iamonaco, S. Mirucki, W. Sheekey, B. Osgood, A. Morgan, C. Pickerel, R. Foss, P. Gunas, and Manager R. Vignone.

The team, as a whole, played well, with the inspired playing of "Tommy" Stevenson and the miraculous saves of goaly "Pete" Gunas, outstanding.

The track team enjoyed a fairly successful year, gaining 7 wins and 3 losses, including both the indoor and outdoor events. Indoors, the locals won two, and lost one. The victories were over New Britain, 41-18; and Bristol, 51-17. The loss was to Hartford Public 43 2/5 to 15 3/5. In the state meet the Red and White placed fourth, with the only local winner being "Tommy" Robinson in the 600 yard run.

Outdoors the locals faired better. They won five while dropping two.

"Ronny" Buckmister and "Red" Flaherty, Red and White polevaulters were co-captains this year.

Lettermen lost to graduation are: "Bob" Bray, "Joe" Accornero, "Ray" Brown, "Ed" Churilla, "Dick" Klein, Henry Kissmann, "Tommy" Robinson, Eric Trotter and "Waller" Waller.

A successful season, climaxed by a respectable third in the New England Meet, was the fate of the 1948 Cross-Country team.

The Red and White harriers, under Coach Charles "Pete" Wigren had a regular season record of six and one; the only blemish being a 26-29 deficit by Norwich Free Academy. Four white-washings appear on the local's record. These being administered upon East Hartford, New Britain, Weaver and Middletown. In each event the same five boys—Captain Jack Coleman, "Larry" Soma, "Joe" Shea, Donald Henry, and "Dick" Howes—placed within the first five for the 15-40 scores.

In a triangular meet held on the home course, the local harriers won out 16-39 over Hartford Public High School, and 21-34 over Bristol for their other two victories.

Lettermen include: Captain Jack Coleman, next year's captain, "Joe" Shea; "Larry" Soma, "Don" Henry, "Dick" Howes, Wayne MacArdle, Howard Higley, "Dick" Owens and manager, David Maceyka. Returning lettermen will be: "Joe" Shea, "Dick" Howes, "Larry" Soma, and Howard Higley.

BASEBALL

The Manchester High School baseball team enjoyed a very successful season gaining 9 wins against 5 losses. The locals had a 6-4 record in the C. C. I. L. and placed second in the C. C. I. L. ranks. Victories were over Rockville 15-6, 3-2; Middletown 5-3, 19-13; Meriden 8-3, 9-7; Hamden 7-2; East Hartford 7-5, and West Hartford 1-0. Losses include Bristol 2-0, 8-3; East Hartford 4-2; West Hartford 9-7 and Hamden 11-3.

"Al" Bradley was the locals' mound work-horse pitching a total of 19 innings and completing 8 out of the 10 games that he appeared in. Bradley started the locals last 6 games, dropping the first 3 and winning the last 3. His best performance was on June 1, when he and Fred Vogel hitched up in a pitchers' duel at West Hartford. Bradley chucked a one-hitter that day in facing only 29 batters. He fanned nine while walking one. The lone hit of the local mound-ace came in the eighth inning with one down. Bradley whiffed 89 opposing

batsmen and passed only 48. In the C. C. I. L. he led in four departments—greatest number of innings, 48; strike-outs 78; bases on balls, 43; and he gave up the most hits, 39. He established a record when he made 9 assists in the Hall game.

Co-Captain "Bob" DiBattisto captured batting honors with a .357 mark. Reserves "Bill" Sibrinsz and Morris Silverstein followed. Sibrinsz equalled DiBattisto's mark of .357 while Silverstein batted .333. Retiring captains leave the reins to Bill "Bullet" Frey.

SWIMMING TEAM

The Manchester High swimming team enjoyed a very successful season in 1948-1949 winning the C. C. I. L. title by a 41-34 verdict over Middletown on February 22, and compiling a record of five wins and three losses.

The climax of the season came with the meet against Middletown at the Rec pool. The meet was close all the way and was undecided until the last event—the 160-yard freestyle relay. The score before the event was 33-30, Manchester. The local tankmen needed to win the event if they were to win the C. C. I. L. The same situation had presented itself once before. This was last year when the locals were battling it out with this same Middletown team for the C. C. I. L. crown, only last year Middletown won. This time it was different. The relay team of E. Anderson, R. Foss, R. Harris, and T. Booth sped the distance in near record time to defeat Middletown by half a lap and to win the C. C. I. L. crown.

The Red and White ducks lost only to mighty Hartford Public and Crosby, by scores of 39½-35½ and 48-27, respectively. Wins were over Bristol 38-37; Hamden 41-34; Meriden 53-22; Bulkeley 46-29; and Middletown 41-34.

Three new records were established. The 120 yard medley relay record was broken three different times. The final record established was 1:11.2, done by J. Panciera, F. Vozzolo, and P. Turkington on February 11, 1949 against Meriden.

Frank Vozzolo broke the 100 yard breaststroke record no less than four different times over the season's span. His final time was 1:10.8 on February 11, against Meriden. The third record was set by "Whitey" Fidler when he sped the 220 yard freestyle distance in the time of 2:35.4 chopping six tenths of a second off the old record of 2:36.

The prospects are bright for next year with only one letterman—"Tony" Turkington—lost to graduation. The locals, under their new coach, Richard Sollanek, should have another bang-up season.

BASKETBALL

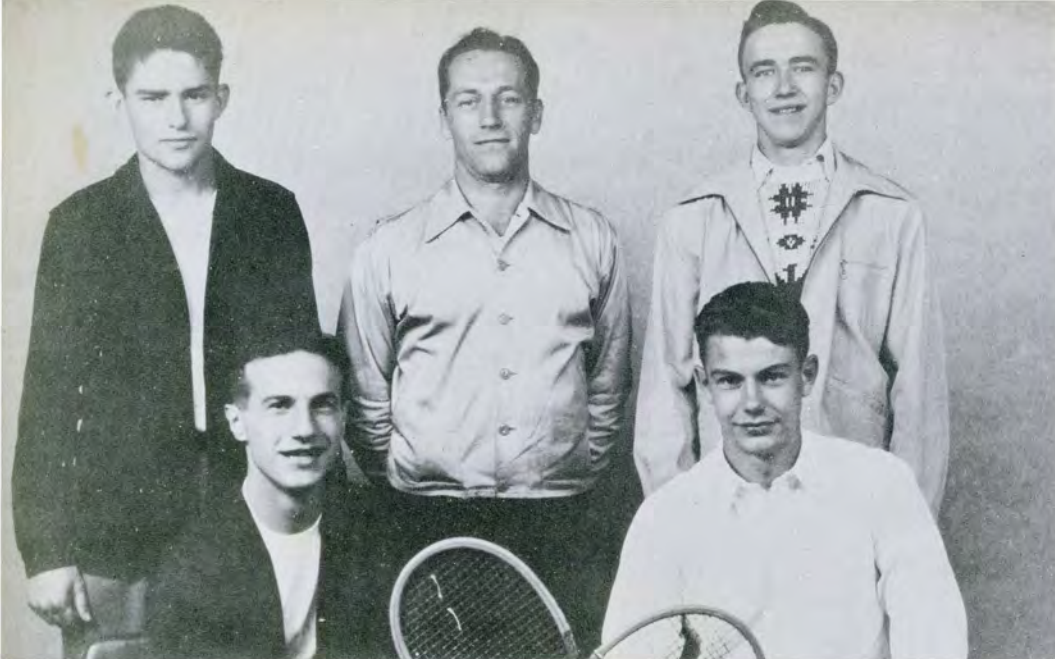

The Manchester High basketball team won 5 out of 12 games, but hit a snag about mid-season and never recovered—dropping their last seven games.

In C. C. I. L. competition the Red and White gained three victories out of ten lead games. The wins were scored over Middletown, 45-36; West Hartford 34-29; and Bristol 49-47. The losses were at the hands of Meriden, twice, 29-19 and 27-26; Hamden, twice, 35-23 and 47-31; Bristol, 60-41; Middletown 48-39, and a forfeit to West Hartford. Other victories include: Alumni, 29-27; and Weaver, 33-31. Other defeats were: Windham, twice 50-42, and 41-26; East Hartford, twice, 42-32, and 59-43; and Weaver 59-49.

The season was high-lighted by a thrilling 49-47 double-overtime-sudden-death victory over powerful Bristol. "Ed" Fogarty, Red and White guard, tossed in the winning hoop. The victory put the locals in a temporary tie for first place in the C. C. I. L. with Bristol and Hamden. In gaining the decision, Manchester became the only other team besides New Britain to defeat the Bell-Towners all season.

"Lefty" Day led all scorers with 134 points in 15 games. The local forward netted 51 field goals and 32 fouls for his total. "Al" Morgan followed with 92; "Don" Hubbard was next with 89 and "Joe" Hublard's 57 round out the top scorers.

Those lost to graduation are: "Don" Hubbard, "Joe" Hublard, Carl Mikolowsky, 'Jim" Roach, "Ronny" Buckmister, and "Dixie" Dougan.

TENNIS

2nd Row—P. Hillery, Mr. Sollanek, M. Warren.

The 1948 tennis team won two matches out of six. The wins were over Meriden, twice. The losses were a pair each to West Hartford and Bristol.

Retiring Captain Ralph Azinger takes let-

termen "Mike" Vignone and "Ricky" Morrison with him in graduation. Returning lettermen are Captain Marshall Warren, and Paul Hillery. With practically all green material coming out next year, Coach Richard Sollanek will have his hands full building a new team.

GOLF

The Red and White golf team under the captainship of Bruce Wilkie had a highly successful season in 1948, winning eleven matches while dropping and tying one.

As a result of the tie and loss, which were to West Hartford by the scores of 10-8 and 9-9, the locals wound up second in the C. C. I. L. while Hall took first.

Prospects are bright for next year. Only one letterman, Bruce Wilkie, was lost to graduation. Returning lettermen included co-captains "Tom" Kelley and "Tom" Prior; "Bob" LaFrancis, "Phil" Froh, and manager Waine MacArdle. Co-Captain, "Tom" Kelley, showed his worth to the team by winning the State Junior Golf Championship with an 80, just one up over his opponent.

GIRLS' SPORTS

FIELD HOCKEY

Miss Case supervised the girls' field hockey practices which were held on Mondays and Wednesdays in the fall. The players went to East Hartford and to West Hartford for play days. They invited New Britain to Manchester to a clinic and play day. Strokes, fouls, and types of team play were demonstrated. At the end of the season the girls participated in inter-class games.

ARCHERY

The after school archery, under the supervision of Miss Case, met on Thursday afternoons during the fall. The girls spent much of their time practicing. They went to the University of Connecticut to an Archery Clinic and received instructions from the National Women's Champion.

TENNIS

The advanced and beginners' tennis teams were under the leadership of Miss Ditmars. The advanced pupils met on Monday afternoons and the beginners met on Wednesday afternoons. The classes were taught the fundamentals of various strokes and practiced playing the game. While retrieving balls hit over the fence, the girls also learned canine control.

BOWLING

Bowling, which was under the leadership of Miss Ditmars, was held every day during the winter season except Friday. This year no teams were eliminated because of failure to reach a set score. The six teams with the highest scores received points to see which team had the most points at the end of the season. In order for a team to get credit for bowling, at least four members had to be present.

BADMINTON

Miss Case supervised the advanced and the beginners' badminton pupils. The classes met on Thursday after school. The girls practiced and had tournaments during the season. Jean Schultz and Barbara Johnson entered the C. I. A. C. singles and doubles tournament.

BASKETBALL (JUNIORS AND SENIORS)

The Junior and Senior basketball teams were under the leadership of Miss Case. The teams met on Wednesday afternoons. The Juniors and Seniors each had teams which competed against each other. Chosen players from the teams went to the basketball sports day at New Britain.

BASKETBALL (FRESHMAN AND SOPHOMORES)

Miss Ditmars supervised the freshman and sophomore basketball teams which met on Monday afternoons. The five teams practiced and participated in a Round-Robin tournament.

VOLLEYBALL

The freshman and sophomore volleyball teams were under the supervision of Miss Ditmars and the junior and senior volleyball teams were under the leadership of Miss Case. The freshman and sophomore girls met on Mondays and the junior and senior girls met on Wednesdays. The teams practiced and participated in Round-Robin Tournaments.

SOFTBALL

Miss Case supervised the girls' softball practices which were held during the spring season. The girls practiced playing. In May, the girls attended a play day at West Hartford. They played inter-class softball games during the season.

GIRLS LEADERS' CLUB

During the past year, under the direction of Miss Julia Case, the Girls Leaders' Club enjoyed a most successful season. The club is composed of girls from the sophomore, junior and senior classes. Regular meetings are held on Tuesdays during the eighth period. The officers of the club are elected by a popular vote.

Activities that provided recreation for the club were a party to initiate the new members, an alumna party, and play days and sports days in which the girls took part at other schools and acted as hostesses to these same schools.

These athletic maidens held two Co-Rec nights this year. High school boys were invited to these functions, during which games such as bowling, badminton, darts, shuffleboard, ping pong, and volleyball were played. After the evening's entertainment, refreshments were enjoyed.

The club went to a basketball play day in New Britain in February, to a volleyball play day in New Britain in March, to a square dance play day in Wethersfield in April, and to a softball play day in West Hartford in May.

A service which the girls willingly did for the community was helping to supervise children's games at the local Hallowe'en parties sponsored by the American Legion.

To start off the new year, the Leaders, in conjunction with the Aqua-ettes, held a play day to which seven schools in the C. I.A.C. region were invited to send representatives. Two new features that the club voted for were an official Leaders' sweater and emblem.

Eligibility in the club requires the maintenance of at least an average of C in school subjects and a B average in gymnastics. A girl must successfully pass the entrance test on rules of extra-curricular sports in order to be admitted into the club.

The chief aim of the club is to help girls to gain leadership ability. They have aided Miss Lynch at the elementary schools by teaching the children to square dance, social dance, and play volleyball and softball. The girls also assisted the teachers in the gym classes at the high school.

When the school year ends, each girl receives fifty points towards her athletic credits if she has actively participated in the club and also shown her leadership ability.

The Aqua-ettes, or girls' swimming club, could be heard splashing around the pool at the recreation building every Wednesday during the past year. Admission to the club was based on a competitive test of an individual's skill and endurance in the water.

These mermaids planned a full schedule for the year. During the season different swimming skills were practiced, such as: the back crawl; front crawl; elementary back stroke; the side stroke; and the butterfly breast stroke. The members also improved their forms of diving, which included the front jack, the front dive, the back dive, and the racing dive. Intermittently, the Aqua-ettes did rhythmic swimming and formations to the tunes of recorded music which provided a lively atmosphere during the meetings. Also included in their program were

life-saving skills, taught so the girls will be able to take care of themselves and others in an emergency. Periodically, skills were treated by individual and team competition. To see outstanding swimmers and divers, the club planned trips to nearby college swim meets.

At the beginning of the new year, the Aqua-ettes, in conjunction with the Grils Leaders' Club, sponsored a play-day, to which seven schools in the C. I. A. C. region were invited to send representatives.

One of the goals which each member worked to obtain was earning the winged "M". This was achieved when a member completed the required 176 lengths, provided that she also qualified in participation and swimming skills. Old members who completed the requirements received a star to add to their "M".

CHEERLEADERS

The Cheerleaders did a grand job in supporting the football and basketball teams this year. They held an outdoor rally in the fall to introduce new cheers. Later in the winter, they held an indoor rally to introduce new cheers for basketball.

Among the new cheers were: "We've got the coach", "Alemen", "Turn on the switch", "The stutter cheer," "Go! Go!," "Rah! Rah!,"

and "Give us a T".

They won school support immediately when showing each new cheer, and have done much to bring up the school's, as well as the team's morale, at every game.

With the able leadership of their captain, Joan Belcher, and practicing twice a week all fall and winter, the cheerleaders did magnificent work.
