PRINCIPAL

Mr. Allan Cone

Dear 9th Graders:

Congratulations on the completion of a very fine yearbook. This yearbook is but one example of the spirit demonstrated throughout this school year by your class.

As you look back on your three years at Bennet, I hope you can recall many experiences and associations which will provide you with the base upon which to continue your education and your life. We hope that in some small way Bennet has contributed to your growth as an individual and to your ability to contribute to our society.

As you leave Bennet to continue your education elsewhere, we wish you success and satisfaction in all your endeavors. We will remember you and your contributions to Bennet.

Good Luck!

Johnny Walker

The sky was dark as night,
I feel all is not right.
Where is old Johnny Walker?
Never was much of a talker.
Didn't say where he was going,
Left this morn with the west wind blowing.
Found his old black hat in Willow Creek,
But not the man for whom I seek,
Has old Johnny passed away,
Or will he return another day.

Bill Lautenbach

Darkness is a kind of light,
That doesn't let you see.
The bad that must go with the good
To make reality.

Diane Bakulski

Can't dig the snow,
It's too cold
and wet
and white.
If only it were warm
and dry
and black.

"BEING" ART

"Time does not pass --
it is motionless
it is we who pass
upon its surface --
as ships
that sail upon the sea
from harbor to harbor
and after a little rest
embark upon another voyage."
