Bennet School Song

She stands; strong and steadfast,
With highest aims for right
Shedding abroad her knowledge.
We hail the Blue and White!

To those who attend her
Be loyal, and do
Your best in ev'rything you can,
With standards high and true.

Our utmost devotion
And thanks now are due,
For laughs and loves and learning,
O Bennet, to you.

God bless our alma mater!
And may we always try
To keep her light forever burning,
BENNET JUNIOR HIGH

Vice-Principal

As you read this in your Bennet yearbook the end of another school year will be near. For those of you who are ninth graders it also marks the close of many of the relationships you have had at Bennet Junior High School.

At this time I would like to express several thoughts to those of you who will soon be leaving Bennet.

First of all, we have been proud of your growth and development as young people during your years with us. We have had the pleasure and pride of seeing you grow intellectually, physically, and emotionally. We hope that your experiences at Bennet have, to some extent, contributed to that development.

Secondly, we have had the benefit of sharing in many of your achievements and honors. We have enjoyed, perhaps as much as you, your successes and recognition which have come to you in such areas as art, music, athletics and service to your community.

And finally, we have enjoyed knowing you as people. People with hopes and aspirations and also not without some problems. It is our hope that we have helped you as you continue to pursue your goals in life. We congratulate you for a job well done and we wish you many more successes in the years ahead.
