MANCHESTER MIDGET FOOTBALL ASSOCIATION

WHY MIDGET FOOTBALL IN MANCHESTER?

Very simply the answer is found in our constitution as follows:

"The purpose of this Association is to promote moral and physical fitness of boys by conducting Midget Football contests and thus encourage good sportsmanship and community pride in Manchester."

We hope you are in accord with these sentiments.

WOMAN'S AUXILIARY

First formed in 1961, the Woman's Auxiliary has been of great assistance in the operation of Midget Football in Manchester. Composed of mothers of players and coaches wives, this organization has raised more than \$15, 000. 00 over the years to help defray the costs of operation of our association.

To raise this amount the Ladies have run rummage sales and cake sales. Their biggest project each year, however, (and perhaps the most popular) is the dinner dance held after the season closes. Because of the large attendance at this affair every year it is suggested that those parents and friends who wish to attend this year make their reservations early.

In addition to all these activities, the members assist on the town-wide fund drive, hand out programs and attend the donation barrel at the entrance of Mt. Nebo Field and train and supervise the Midget Cheerleading teams that perform so delightfully at all the games.

For all this work, and for being such nice people too, the Woman's Auxiliary has earned the gratitude of
