GREATEST HITS : 1982

#### MESSAGE TO SENIORS

The 1982 Somanhis is the official record of a high school in the midst of change.

The physical changes in the building are apparent to everyone. Similarly, the curricular change and increased graduation requirements have begun to have an effect on each of our nearly 2,000 students. We believe that all these changes are for the better.

The Class of 1982 has not only been affected by these changes, they have contributed to them in a significant way. As entering sophomores in the fall of 1979, members of this year's graduating class participated in the ten-year evaluation of Manchester High School by the New England Association of Schools and Colleges and several other later studies. Their input has been solicited, and their progress has been charted over these past three years. More than any other single class in the history of this high school, the Class of '82 was the model which was studied and compared as we set the course for a Manchester High School education in the 1980s and beyond.

Thank you, Class of '82, for a job well done. We've been proud of you! We are confident that as alumnae, you will continue to be proud of M.H.S. in the years to come.

I can't light no more of your darkness...

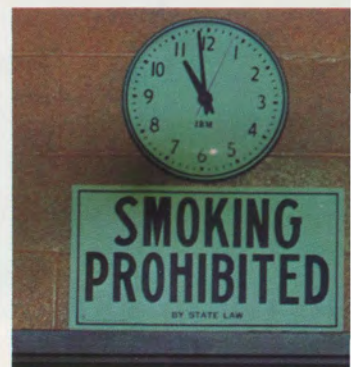

All my pictures seem to fade to black and white...

I'm growing tired and time stands still before me...

Frozen  
here  
on the  
ladder  
of my  
life...

Don't let the sun go down on me...

Although I search myself...

It's always someone else I see...

I'd just allow a fragment of your life...

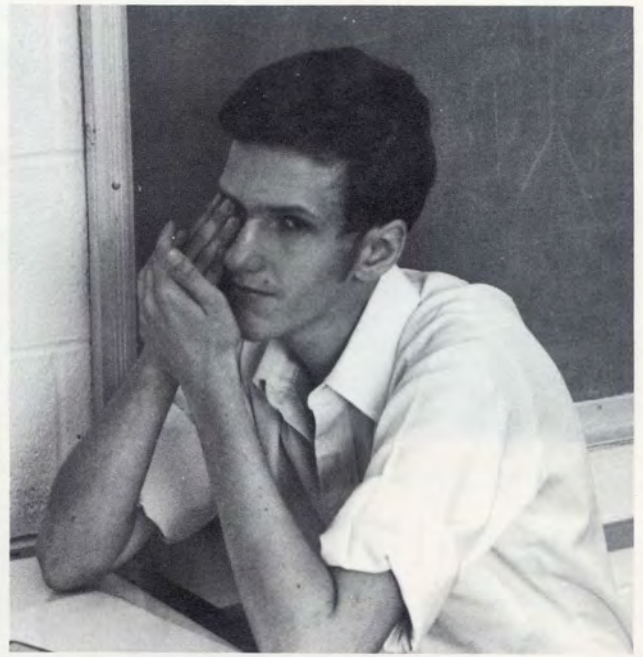

to wander free...

But losing everything is like...

The sun going down on me.

## GAMES PEOPLE PLAY

# STUDENT ASSEMBLY

## GIVE THE PEOPLE WHAT THEY WANT

Barbara Elliott

Student Assembly is a very important and influential organization at Manchester High School. It involves interested and active students, and provides them with a chance to come together and air grievances and voice opinions on administrative procedures. Student Assembly plans many activities which appeal to the whole student body, such as: dances, concerts, proms, and fund raising events that benefit the community. By getting involved with this worthwhile organization, not only will you create a more productive school year, but you'll enjoy the fact that you were a part of it.

## "FOLLOW YOUR DREAM"

Follow your dream ...  
Take one step at a time  
and don't settle for less,  
just continue to climb.

Follow your dream ...  
If you stumble, don't stop  
and lose sight of your goal,  
press on to the top.

For only on top  
can we see the whole view,  
can we see what we've done  
and what we can do,  
can we then have the vision  
to seek something new ...

Press on,  
and Follow your dream.

## A black graduation cap with a tassel is positioned on top of a calendar and a business card. The calendar shows the months of the year, with the current month being May. The business card is for James C. Morrison, 1266 Sheridan Drive, Your City, U.S.A., 00214. The card also mentions Northeast School Employees Federal Credit Union, Manchester, Conn., and includes a phone number: 234.5678984006 &amp; 234.5678984006.
