YEARBOOK STAFF

DEDICATES THIS YEARBOOK TO MRS. MARGARET DWYER

Mrs. Dwyer, our school nurse, has been at Bennet for an outstanding eighteen years, and is now retiring. Through the years she has always been willing to help all students with ice-bags, band-aids, medicines, and a variety of comforting words.

Mrs. Dwyer came to us from Newport, Rhode Island. She and her husband have three grown and married sons. Mrs. Dwyer received her nursing degree at New England Deaconess Hospital in Boston.

Mrs. Dwyer has many interests such as walking, fitness activities, water sports and travel. She volunteers her time with the Cancer Society promoting the Great American Smoke-Out. But of all her interests and hobbies, her favorite is helping kids.

When you walk by her office, you will often hear her saying, "I took your temperature," "Go back to class," "Call your parents and then you can go home," "I'll see you later if you still don't feel well."

Since Mrs. Dwyer has been with us for so many dedicated years, we would like to thank her for her concerns and outstanding efforts on our behalf. Thank you from all of us for your help, kindness and advice. We all appreciate your having been there for us. The Students and staff of Bennet Middle School will always remember you, and hope you will still keep in touch with us. Mrs. Dwyer, we love you!

TO: Bennet Students and Staff
FROM: Marsha A. Gunther, Principal
DATE: June 1994

This edition of the Bennet Yearbook marks the close of year two of Bennet as a middle school. We have all shared many new and challenging experiences as we worked through the transition and its many changes. This yearbook is a record of the past year with all its many memories of events and the people involved. I hope it will serve as a personal record of your individual participation.

As your Principal, I wish the Grade 8 students much success as they move on to Manchester High School or other schools. You have taken on leadership roles in classrooms, clubs and sports. Yours is a legacy to be passed on to the students remaining at Bennet. I look forward to Grades 6 and 7 as being the new leaders as they return in the Fall.

My best wishes to you all.

Sincerely,

Marsha A. Gunther
Principal
