Dear Students,

I have enjoyed this year a great deal and I have enjoyed getting to know many of you. I am honored to be Bennet's principal and I look forward to many years of serving the school.

I will remember many things this year, but a few stand out in my mind. The entire eighth grade learned to bake bread, and so did I. We worked over a weekend to bake for those less fortunate, and on Monday morning hundreds of loaves lined the cafeteria en route to homeless shelters and soup kitchens.

I will remember the dances, all the energy, the strange but lively music, and the happy smiles.

I will remember visiting your classes, the pie baking contest, and the basketball games with the cheerleaders in full force.

But most of all, I will remember you, the students, and all that you brought to Bennet. I wish you good luck and the absolute best as our lives diverge in their separate paths towards the future.

Sincerely,

A handwritten signature in black ink, appearing to read "Allen C. Hoffacker".

DEDICATION

This yearbook is dedicated to three very special people, our former-principal, Miss Gunther, our principal Mr. Hoffacker and our vice principal, Mr. Cuprak. These people have stood by Bennet through thick and thin and have accepted Bennet Middle School with all its strengths and weaknesses.

Miss Gunther has been a very special leader and friend. She had been there for many students. For years she had worked hard on improving Bennet. With an unmatched dedication, she has earned our respect. We miss her and the memorable moments she gave us.

Our new principal, Mr. Hoffacker, came to Bennet with energy and new ideas to make our school even better. The yearbook staff would like to thank Mr. Hoffacker for his never ending support, sensitivity and strength.

Mr. Cuprak has set an example for the students of Bennet. He has been there to help when problems arose. Mr. Cuprak has always been available and ready to support us in our endeavors. We thank Mr. Cuprak for his dedication to Bennet and to the students. We will miss him.

We have lost and gained so much in the past year, and yet, overall, we have gained a priceless education that will guide us through the many years ahead.
