Dear Class of '97,

This was an exciting year. I will remember you in many ways. You were eager in your desire to learn. You made wonderful friends in both teachers and peers. As you grew each day, you learned a little more about yourself and the world around you. I remember the dances and the crazy music. There were early mornings in the quad when the day's football game ranged across the campus. There were those of you I came to know in the late afternoons as you waited for your ride after sports.

Most of all, I will remember the hard work and excitement we shared together as we all sought the same goal -- to build towards a joyous future!

May you fly on the wings of eagles!

A handwritten signature in black ink that reads "Allen C. Hoffacker".

Allen Hoffacker
Principal

Dedication

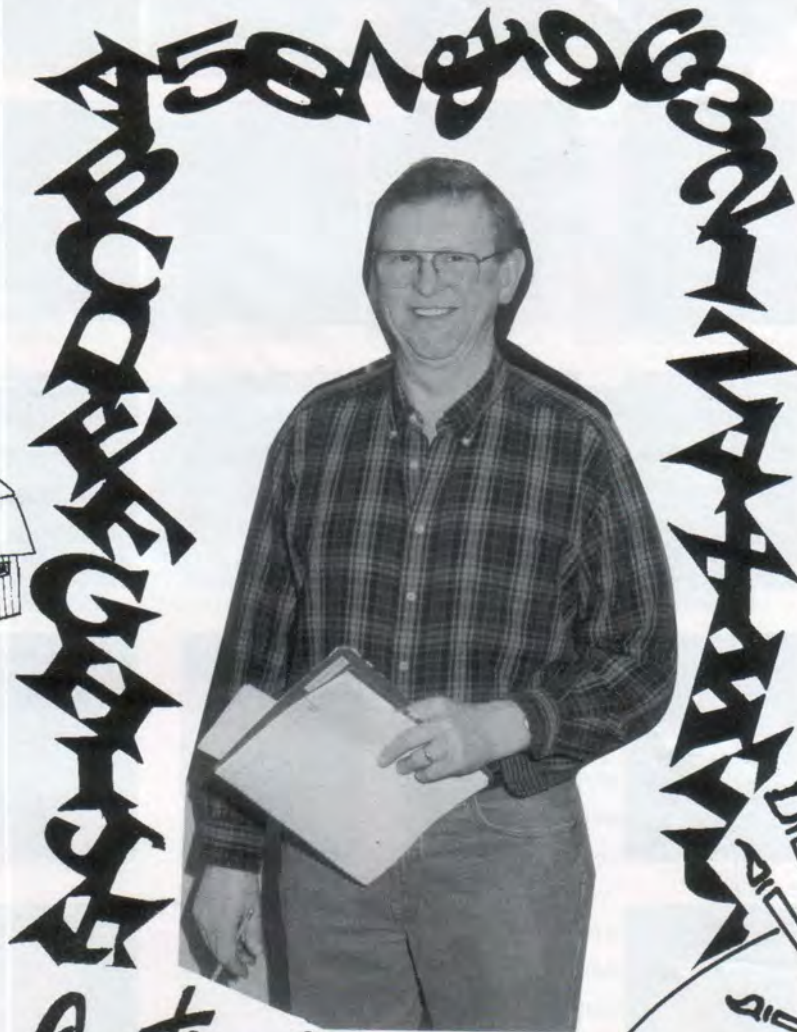

The Yearbook Club would like to dedicate the 1996-1997 yearbook to Mr. Harold Larson who will be retiring this year.

Mr. Larson has been teaching at Bennet for 34 years. He was born on November 4, 1934. All of his life he wanted to be an Art teacher. He went to art school at Pratt Institute in Brooklyn, N.Y. and received his Masters degree from the University of Hartford.

Mr. Larson is very creative in all the artistic disciplines. He has been known to create beautiful dry floral arrangements and watercolor greeting cards at a moment's notice. In recent years, Mr. Larson has been active in his home town as a theater designer and director of various plays as he has done at Bennet in his earlier years.

Mr. Larson grew up on a dairy farm. He and his wife have 3 children and 2 grandchildren. He loves gardening. His favorite food is everything. He says, "I'm so good at eating that I could teach it!"

We'll miss his singing in the morning and his wonderful sense of humor. We wish him many creative hours in his studio at home.

Be Creative! **ORQ**

Retiring

Mr. Indomenico has taught Social Studies and Math at Bennet since 1984. Previous to his 13 years at Bennet, he has taught 15 years at Martin School. He graduated from the University of Connecticut and received his Master's degree in Elementary Education from the University of Hartford. Mr. Indomenico enjoys golfing, bowling, and is a collector of records and baseball cards. He plans to do a lot of reading in his retirement.

Our Librarian, Mr. Konopka, has been at Bennet for 30 years. He graduated from Southern Connecticut State University majoring in Social Studies and Library Science. He received his B.S. degree in 1960 and his M.S. Degree in 1964. The things he likes most about this school is the students, and the teachers. Mr. Konopka does not have a best year, he feels that each year it gets more interesting. He thinks that Bennet Middle School will become more technical in the future.

Mr. Williams has taught Social Studies for 13 years at Bennet Middle School. He has also taught at the elementary school level with 17 years at Keeney and 5 at Washington School. He always wanted to be a teacher like his father who taught at the University of Connecticut. Mr. Williams has also taught math at night school for 17 years and coached track at Manchester High School for 16 years. He matriculated at Central and has obtained his Masters and 6th year at UCONN. He enjoys golf, traveling and cooking.
