

Prize for Case Brothers

As reported in the April 30, 1881 *Hartford Courant*, there were honors for American manufacturers at the Melbourne International Exhibition in Australia.

reives a first degree of merit.

In papers, the eleven American exhibits receive 8 first and 3 second awards—of these two are from Connecticut, *Peter Adams* of the Waverly mills, Buckland, and *Case Brothers* of South Manchester, each receiving a first. The former for printing paper, on which the American catalogue is printed, the latter for press boards.

In fine arts, the *Winchester Reporting*
