Miss Elisabeth M. Bennet,

My dear Miss Bennet:

You will be pleased to know that at the last meeting of the Massachusetts Teachers College Presidents with the Director, I brought up the matter of out-of-state normal graduates satisfying the residence requirement for earning a degree through summer session attendance, and it was voted to grant the same privilege as for Massachusetts Normal graduates.

I know this ruling will be of real interest to you and some of your friends.

If you care to submit your complete record of credits I should be glad to evaluate your work toward a degree and indicate what additional courses would be required.

Very sincerely yours,
