We learned from the past.
And hope for the future.
We live for today,
And dream about tomorrow.
A goal and a wish is all you need —
With friends and desires,
To help you succeed.
Jill Pyka

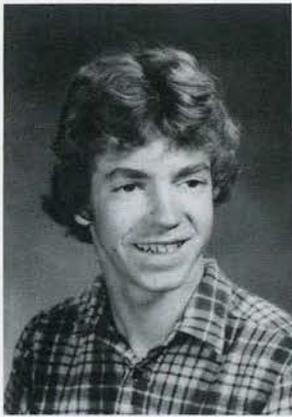

Congratulations! The Class of 1984 has arrived. You have fulfilled your requirements. You have enriched this high school with your enthusiasm and your achievements.

The Class of 1984 represents the embodiment of several improvements for Manchester High School. We have required more of you than of any other graduating class in history. The program of studies which you followed represents a significant departure from that taken by previous classes. You successfully met the challenge. Your cooperation and achievements will long be remembered. We are especially proud of your immediate legacy, the re-establishment of school spirit. Manchester High is stronger today because of you. You will be missed.

All of you guys — (you know who you are) are wonderful. I'll never forget you . . . Traci

JM, SW, DC, LB, LP, JT, LH, CJ, SL, SM — Cheerleading was the best! You are supa! WS.

BONAOK without you and them I wouldn't have made it. Summer '83-June '84. Diane and company I won't forget all the great times (9th grade) Beth.

Jilla — Looks like we made it! The time has come and we will be going our own separate ways soon so remember to always believe in what makes you happy. Thanks for everything . . . DeBone.

Here's a "SOCIAL" for Kimmy, D. Marie, Paul, Kevin, Neil, Jeff, Dale and Ryan and the Summer of "83".
"What's the name of the game!?" Michelle.

Beck — Fluff, fluff, fluff — choo — choo. You should have born blonde! WS.

Beth — Without you life would not be half as fun. Where did that "paradise" bird come from at the hockey game? Which mailbox? BONAOK

Bubi, Umbabet! Figo forever. Be us never Bozrah.

Good-bye future class. I'll miss ya!! Grace

Good luck, Rich. I love you! — Judy.

I love you Timmy! Love Suzie.

DOLLAR-A-LINES

Kather, Jan, Jude and Misser, Football games '83 were the best! We'll be back on Thanksgiving. Donner.

D.E. — Just what are you implying?! WS & JM

Beckus and Don-Don — I'm so glad I didn't take a math. Susie Sue-Sue.

M.R. Remember Fame, Burnt oil, Midnight snack (I'm never gonna fall asleep!!) and all the thousands of great times we've had together. Best friends always. Love, R.R.

To Susie — Next year in D.C. so we can take math together. To Donna — Thanks for being such a great friend. Calculus (yuch!!) and English. Thanks for everything B.P., A.M., K.D., AND EVERYONE ELSE. Love, R.R.

To SB and NB, "Somewhere Out of a Memory, of Lighted Streets On Quiet Nights." JSP

L. Gates — We individuals have to stick together — you've been a great friend. Your photo editor.

DeBonee — We're gonna get Wild, Wild, Wild! But seriously; Thanks for everything. You're the best friend anyone could ever hope to have. We've had it all, and we've done it all, exactly like we wanted, and that's what is most important. We Did It! Jill

To SB; Nothing Else Mattered. JSP

Remember when we told Jim Fogarty Jill wanted his body? JA, DD, FH
