Annual Call for Support

When it rains it pours (quite literally) to steal a phrase from Morton Salt. In our case we are talking about the Cheney Homestead roof replacement, besides our normal expenses.

Historical buildings follow a preservation rule which prevents us from having a family friend from roofing the structure. We would love to have such an arrangement, but the project needs to be a wooden shingle affair, that limits bids from very few licensed and insured contractors.

Besides this project, the Society has its annual budgetary obligations. Among the highlights this year: is a stronger effort at making long lasting connections with local school students; an expansion of the Genealogy group; the gathering of the 8th District Fire memorabilia to our collection and the reworking of our various displays across the Society's properties.

We understand that family and business needs to come first when doing your own budgets, but if possible, we hope you will help finance our efforts to preserve your history for Manchester's children.

Please take the time to fill out the enclosed form in support of the Manchester Historical Society. Any size donation is gratefully accepted.

Thank you!
